About The Conference

The objective of ICETEMT - 2022 is to provide a world class platform to present and discuss all the latest research and results of Scientists, Engineers, Academicians and Research Scholars. This conference provides opportunities for the different areas of delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.

About RRCE

RajaRajeswari College of Engineering(RRCE) established in the year 2006 under the shelter of Moogambigal Charitable & Educational Trust. RRCE is recognized by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University(VTU), Belagavi, Karnataka. The Institute offers eight UG courses (ECE, CSE, ISE, EEE, AI&ML, Robotics & Automation, Civil Engg., Mechanical Engg.) and three PG courses Computer Science and Engineering, Master of Business Administration and Master of Computer Applications, also 9 Research Centers. The college has unique well equipped laboratories, digital library and sports facilities along with other amenities.

Topics for submission of papers, But not Limited to...

- VLSI
- Mobile and Cellular Communications
- Vehicular Communication Networks
- Antennas, RF and Microwave
- Optical Communication
- MIMO and Space Time Communications
- Cognitive Radio and Cognitive Networks
- Satellite Communication
- OFDM and CDMA Communications
- Signal Processing
- Audio/Speech Processing & Coding
- Statistical Signal Processing
- Digital Signal Processing and applications
- Deep Learning
- Neural Networks
- Natural Language Processing
- Biometrics
- Brain-Machine Interface
- Wireless Sensor Networks
- Robotics & Automation
- Artificial Intelligence Bioinformatics
- Fuzzy Control and their applications
- Cluster, Cloud and Grid Computing
- Computational Intelligence
- Data Mining & Machine Learning
- Heuristic and AI Planning Strategies and Tools
- Parallel Processing
- Pattern Recognition
- Electrical Vehicles and Battery Management System
- Electric Power Generation
- Reliability and continuity of supply.
- Power quality in grids with distributed generation
- High Voltage Engineering & Insulation Technology
- HVDC and FACTS
- Renewable Energy Sources
- Electrical Traction Systems
- MEMS-Related Technology
- Automation Techniques
- Material Technology
- Nano Materials in construction
- Smart construction
- FEA analysis
- Thermal Engineering
- Marketing Management
- OB/HRM
- Economics & Finance Strategic Mgt.
- Business Analytics, Etc.,

Call for Research Papers

Authors are kindly invited to submit their formatted full papers including results, tables, figures and references in IEEE format. All paper submissions will be double-blind peer reviewed and evaluated based on originality, research content, correctness, relevance to conference and readability. All the papers of this conference will also be reviewed jointly by the conference review panel and respective journal reviewing teams.

Papers can be submitted through the mails

CSE, ISE, AIML, MCA: cseicetemt22@rrce.org CIVIL: civilicetemt22@rrce.org ECE: eceicetemt22@rrce.org
EEE: eeeicetemt22@rrce.org MECH / H&S: mechicetemt22@rrce.org MBA: mbaicetemt22@rrce.org

All the Accepted and Presented Papers will be Published in Web of Science / Scopus / UGC Care Journals

Conference Registration Fee: Rs. 2000/-

* The registration fee includes conference Kit, Tea, Lunch and Banquet Dinner.

Note: Additional fee will be charged based on Scopus / Web of Science UGC Care Journals, in which the accepted papers will be published
