Chairman's Voice

Dear Alumnus,

RajaRajeswari College of Engineering established in the year 2006 indeed has come a very long way. With NBA and NAAC "A" Grade Accreditations, today RRCE is considered as one of the most eminent colleges of Bengaluru.

Maintaining the momentum, we must focus our attention on the present so that the future too, is as dynamic as our past. We must march on with confidence and bring about necessary changes to create a brighter future of this great institution. A future that outshines the glorious past!

The Alumni of the college who with their visions, dreams, aspirations and hopes, have contributed and driven the growth of the organizations they served thus bringing repute to the Institute.

My message to all the alumni is come, join hands together, to form one family and be the largest network that will shine the name of the group in all segments.

I wish our alumni as well as faculty and students to become our partners in sharing our dream, vision and our journey and to provide various feedback and suggestion for further information. We are strong now and let's grow stronger.

Vice Chairman's Voice

Dear Alumnus,

We have a proud tradition on the cusp of an exciting era. We believe that our alma mater will provide the right impetus to streamline all our dreams into a unified actionable vision without hindrances. I call upon the educators and student community to join hands in bringing about the change.

I extend my heartfelt wishes to all the concerned and wish the event a great success.

Executive Director's Voice

The aim of any institution should be to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be molded.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you spent in RajaRajeswari College of Engineering would have enabled you to equip with leadership and managerial skills. The knowledge that you have gained, the fine qualities that you have imbibed and the skills that you will learnt will be your major contribution to your parents, to society, and to the nation.

We have invested our trust on our students and I am very happy to state here that our alumni have really done us proud. This event gives opportunity to renew the bonds between the alumni and their Alma Mater, reflect the situation of the college today and to strengthen the relationship among the alumni themselves.

"We cannot always build the future for our youth, but we can build our youth for the future."

Franklin D. Roosevelt

Principal's Voice

I am very happy to know that the 7th Alumni Meet is held on this auspicious day of 26th January, 2018 which happens to be our Republic Day too. Alumni Association is an excellent forum to keep in touch with students, college-mates, college staff, teachers and to understand how our institution is progressing and contribute to the growth and development of the facilities and educational programs of the college.

Hi..I am Akshata , my experience with RRCE was very good . I was an ex-student of batch 2013 and had a great time with very supportive and knowledgeable lecturers , who gave attention towards everyone and have solved all our questionnaires. I have very good memories towards my college cultural activities, sports and specially the International Conference on "Cloud Computing" helped us to gain more knowledge and confidence within us . Overall with all the memories , I am happy to say that I was the student of RRCE proudly. Thank

Graduating from RRCE was a memorable experience. From the four years of my stay in RRCE was able to inculcate the behavior of a typical professional along with the engg techniques. This college provides excellent facilities on campus which are well supported by equally capable and competent faculty. Faculties are always approachable and help you in every possible way. A special mention to Computer science department who are proactively involved to provide the very best for their students in every aspect be like sports, extracurricular activities and academics.

I am thankful! My department still welcomes me as an alumnus to share my views. My journey with RRCE started in 2009 with no clue of why I am studying ECE but today I made my living because I studied ECE.Having spent 4 years here Empathy. Education. Experience.That’s what allowed me to find my pathway through this complex world, which helped to shape my future. I hope to keep up the same bond with the institution and the inspiring academic community here. In nutshell all I can say is I am proud to be an “RRCEAN”. Never quit on your dreams, no matter how lucrative or easy the other path seems.

RRCE, the place where I explored myself and learnt gazillion things. The campus has full Wi-Fi support. The classrooms are fully furnished and have been maintained well. The library has lots of books. The college has sports clubs which are useful to improve the skills. The quality of labs and classrooms is very good. The faculty is friendly and helpful. All the faculty members in the college are well qualified and knowledgeable. They are very helpful and easy to get along with, which I think is the best part of them. The teaching method used by them is easily understandable and easy to remember. The course curriculum was useful. The roles offered were software trainee, program analyst, marketing and lots more. I thank the institute for making me a person that I am today.

I have been waiting for an opportunity to convey my warm regards and been thankful to my college RRCE for grooming me a Management Professional. I am really thankful to my parents for allowing me to study here; RRCE gave me the immense knowledge, support and the valuable guidance from my professors. It's a place of where one of my dreams come true, as a management student I received distinction in all the semesters and became the topper of the class in masters, with the aggregate of 77% , it was my proud moment in RRCE. RRCE provided us with well equipped library, internet facility, transportation; Industrial exposure, guest lectures and training programmes are really boon to all the students. I thank to entire team of RRCE & specially like to mention our HOD, Dr. K Pavan Kumar

All of us came to this college with expectations, high or low but graduating by this college, tells me only one thing that our expectations have been met, and the ball has been thrown at us to transform our lives, our families, communities, and humanity in general. Hence, what is needed today more than ever is for each one of us to think about ourselves in the right way. At RRCE I have met great teachers and individuals that have inspired me to a greater length in field of engineering especially faculty of EEE department. I am proud to say that success we are celebrating today was conditioned by the amount of effort added by the faculty who guide us by their knowledge of virtual engineering.

I would really consider this opportunity to thank the de I'm very proud to say I'm an "RRCEian". I have so many beautiful memories with all my teachers who were like friends. They were so supportive in both academics and non-academics as well and gave so many ideas that helped me to construct my future. Students were always welcomed to staff room to meet any teachers to clear our doubts in any concepts. Our humble HOD Dr.M.Arunachalam was very co-operative with students. Often seminars were conducted by reputed resource people who gave me virtual exposure to industries and hands-on experiencing workshops.

It was a great time, spent in RRCE. RRCE has very wonderful faculty and they are very cooperative. The relation between faculty and student is very cordial, which gave me an opportunity to excel further. The 4 years spent here was splendid and has helped me excel professionally as well as personally. Apart from academic, department offers various opportunity to enjoy our college days which was attracting us towards college many of the time. They have excellent facilities and engorgement for students for sports, extracurricular activities.

I started my initial steps of journey to achieve my goal to become a Technocrat in RRCE, I really appreciate the right guidance and genuine support of the professors and principal made me to successfully acquire the initial level of engineering knowledge. I'm fortune enough to be student under the professors with inspiring attitude, experience and approach towards solving the engineering problems of industries and the society, I learnt and imbibed this knowledge from them and exploring the paths they showed. RRCE has delivered whatever it can to students with ambition at right time.

Samanvaya”:The name of RRCE alumni meet “Samanvaya” is been derived from the Sanskrit Word “Samanvaya” which means ‘to join’. *Samanvaya* can be broken down into two words – *sam* + *anvaya*. *Sam* means ‘to join together’ and *anvayah* means ‘to put things in an order’.

The objectives of RRCE Alumni Association are:

1. To promote and foster mutually beneficial interaction between the Alumni and the present students of the RRCE and between the Alumni themselves.
2. To encourage the formation of Chapters as a means to increase participation of Alumni.
3. To encourage the Alumni to take an active and abiding interest in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater.
4. To undertake to organize activities of a civic or charitable nature as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation
