RRCE is recognized by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University (VTU) Belagavi, Karnataka & accredited by NAAC with "A" grade. The Institute offers Six UG courses (Electronics & Communication, Civil, Computer Science, Information Science, Mechanical, Electrical & Electronics Engineering) and seven PG courses, Master of Technology in Digital Electronics & Communication, Communication Systems, Computer Science & Engineering, Computer Network Engineering, Thermal Power Engineering, Master of Business Administration & Master of Computer Applications, also 7 R&D programs. The college has unique well equipped laboratories, library, digital library computing and sports facilities along with other amenities. The college is located at a distance of 18 kms from Bengaluru City Railway Station on Mysore road.

About Department: The Department of Electronics and Communication has been functioning with efficient leadership since 2006. The Department offers UG, PG and Ph.D. Programs under VTU. The program is accredited by NBA. The objective of the Department is to develop professionals having good skills, self-learning

being made in this rapidly changing field and provided opportunities to gain vital practical experience. Project based learning is given much weightage. Theoretical knowledge is supplemented with ability to analyze, design and provide technical solutions that have real life value.

Objective of FDP : The main objective of the interaction between industry and academia is to improve the research and development activities To provide a forum to exchange views, ideas & the latest innovations in the field of Bio-Medical Image processing & Communication Engineering using MATLAB. To make the faculties to train the students to generate interest among the them towards the field of Bio-Medical image processing and Communication Engineering and to encourage the students to take-up related projects with their academic environment.
