SCOPE OF ENTREPRENEURSHIP IN INDIA

- Developing economy like india, the scope and need of entrepreneurs are high.
- Number of individuals opting for entrepreneurship as a career is growing
- Numerous training programmes have been developed for strengthening accounting skills, feasibility analysis, marketing and inventory control, but a few, if any, of these programmes address the fundamental question of how to select and strengthen entrepreneurs and their business plan.

INDUSTRIAL POLICY TOWARDS SSI

- The National Commission on Enterprises in the Un-organised /informal sector was set up in September 2004.
- Suggested measures considered necessary for improvement in the productivity of these enterprises, generation of large scale employment opportunities, linkages of the sector to institutional framework in areas like credit, raw material supply, and infrastructure, technology up gradation, marketing facilities and skill development by training.
