REPORT ON WORLD ENVIRONMENTAL DAY CELEBRATION ON 9th JUNE 2022 AT RRCE CAMPUS

The world environment day is celebrated on 9th June 2022 to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet.

Keeping this aim in view, NSS & NCC Unit celebrated World Environment Day on 9th of June 2022. Students of various branches from department participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

After the Plantation Program along with the our students of various branches and staff members distributed the saplings to public near Hoysala Circle Park, Kengeri

Around 380 Students participated in the World Environmental Day Celebration.

Principal, Vice Principal, faculty members, NSS and NCC Volunteers Participated in this event.

Report on National Anti-Terrorism Day organized in RajaRajeswari College of Engineering, Bengaluru on 21st May 2022.

The day is highly important for the nation as it has been a victim of terror attacks for several years. Many people have died in various blasts in several metro and tier-II cities across India. In the last from past few decades, there was a rise in terror attacks.

But why do we observe this day on May 21? Well, it is because on this day, former prime minister Sri. Rajiv Gandhi was killed in a terrorist attack in 1991. It had shaken the world. At an election rally, the PM was assassinated by a suicide bomber of the LTTE at Sriperumbudur.

Anti-Terrorism Day marks the death anniversary of former Prime Minister Sri. Rajiv Gandhi. He was assassinated on 21 May 1991.

The objective of the day is to promote national harmony and unity among people of all caste, creeds, and sex. To spread awareness about the violence and disturbances caused by the terrorists. Due to the COVID-19 pandemic, it will be observed with precautions. **We have given the 'Anti-Terrorism Pledge' to the faculty members.**

Every day we come to know about one terrorist act or another via newspaper or TV. Basically, the terrorists want to create fear in the minds of the common people. Without any remorse, they kill thousands of people because they don't have any conscience.

It is necessary to propagate the message of humanity and peace. The Indian Government has taken the step of celebrating Anti-Terrorism Day every year to highlight the importance of fighting the activities of terrorism.

What are the objectives behind celebrating Anti-Terrorism Day?

- To spread the message of peace and humanity.
- To increase awareness among people about these terrorist groups and how they plan to strike the terror.

- To promote unity among the people by planting a seed of unity among the people.
- Also, educate and train the youngsters to prevent them from joining different terrorist groups.
- To generate awareness in the country about the danger of terrorism, violence, and its dangerous effect on the people, society, and the whole country.

PLEDGE

We, the people of India, having abiding faith in our country's tradition of non-violence and tolerance, hereby solemnly affirm to oppose with our strength, all forms of terrorism and violence. We pledge to uphold and promote peace, social harmony, and understanding among all fellow human beings and fight the forces of disruption threatening human lives and values.
