Dear Mr. Karan Bennehalli Shankar Murthy:

Congratulations! It is my pleasure to offer you provisional admission to Clemson University's Graduate School for the MS program in Mechanical Engineering (Nonthesis - Main Clemson Campus) for Fall 2022.

Our records indicate that we do not have official documentation confirming that you have received your degree(s). You must provide the Graduate School with final official transcripts for your bachelor's and any subsequent degrees. They must state the degree earned and date awarded. Additionally, for students enrolled at institutions outside of the United States, an official copy of a diploma or a degree certificate issued by the institution and showing receipt of all degrees and dates awarded may be needed, if not stated directly on the final official transcript. Please note that this provisional acceptance does not hinder you from registering for classes. However, your official documentation must be provided to the Graduate School before the end of your first semester of graduate study. A registration hold is placed on students who have not submitted all final-official transcripts.

We are very much interested in learning whether you plan to accept our offer of admission, so please indicate your decision to accept or decline our offer as soon as possible. You may do this through the application portal by clicking the "Complete Your Decision Form" button.

Specific questions regarding assistantships or fellowships, registration, and prerequisites should be directed to faculty and staff in the program. Please note that some graduate programs have academic or professional requirements or prerequisites. It is your responsibility to understand the requirements of the degree program as described in the graduate program handbook and to consult with the department if necessary to verify satisfaction of those requirements. Contact information for representatives of all graduate programs is available at: <http://www.clemson.edu/graduate/academics/program-contacts.html>

Enrollment at Clemson University is contingent upon verification of your lawful presence in the United States, pursuant to South Carolina Code of Laws, Section 59-101-430.

In addition, please visit: <http://www.clemson.edu/graduate/students/new-student-to-do.html>. This website contains pertinent information to assist you as you make preparations to begin your graduate studies at Clemson University.

Again, congratulations on your admission. We look forward to welcoming you as a member of Clemson's community of scholars.
