Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been **Accredited with a CGPA of 3.37 on a seven point scale at A Grade valid for a period of five years from 02/12/2016. The result is already uploaded on NAAC website. The original certificate of accreditation with the quality profile will be dispatched to the institution in due course.** I am sure that the detailed peer team report handed over to you during the exit meeting along with the quality profile will enable the institution to initiate further quality enhancement measures.

As per the new guidelines of NAAC, it is mandatory for institutions to retain the Self-Study Report (SSR) uploaded on the institutional website for A&A by NAAC until the completion of validity period of A&A. The SSR should not be password protected and accessible to all the stakeholders. Institutions are also requested to take note of the mandatory requirement of submitting Annual Quality Assurance Report (AQAR) and uploading them on the institutional website on regular basis. Failing to submit the AQARs annually, institutions will not be eligible for the next cycle of accreditation. For details on the revised guidelines, please visit our website: www.naac.gov.in from time to time.

With best wishes,

Yours sincerely,

(D. P. Singh)

File No. 25-167-2013-NBA

Date: 29-04-2019

To,
The Principal
Rajarajeshwari College of Engineering,
#14, Romahalli Cross, Mysore Road,
Kumbalagodu, Bangalore- 560074,
Karnataka

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by Rajarajeshwari College of Engineering, #14, Romahalli Cross, Mysore Road, Kumbalagodu, Bangalore- 560074, Karnataka.

Sir,

This is regarding Compliance Report submitted by Rajarajeshwari College of Engineering, #14, Romahalli Cross, Mysore Road, Kumbalagodu, Bangalore- 560074, Karnataka for the UG Engineering programs which were provisionally accredited by NBA in Tier-II for academic years 2016-17 to 2018-19 whose validity is expiring on 30.06.2019.

2. An Expert Team conducted data verification of the programs on 16th March, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-II	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electrical & Electronics Engineering		Accredited		
3.	Computer Science & Engineering		Accredited		
4.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Rajarajeshwari College of Engineering, #14, Romahalli Cross, Mysore Road, Kumbalagodu, Bangalore- 560074, Karnataka as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
7. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,
