About RRCE

Rajarajeswari College of Engineering (RRCE) was established in the year 2006 under the shelter of Moogambigai Charitable and Educational Trust (estd. 1992) with the sole object of establishing Institutions of higher education of exemplary stature in the state of Karnataka. RRCE is approved by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University (VTU), Belgaum, and Karnataka. The Institute offers six UG Engineering courses (Civil, Mechanical, Electrical & Electronics, Electronics & Communication, Computer Science & Engineering and Information Science & Engineering) and five PG courses viz.

About the ECE Department

Department of electronics & communication has started in the year 2006-07 with a sanctioned intake of 60 students. The department has focused on academics in the first four years. In the year 2013-14 sanctioned intake is increased to 120 from 60 students. The department of Electronics and communication Engineering started M.Tech Programs in "Digital Electronics & Communication" and "Communication Systems", in the year 2011 and 2014 with intake of 18. The programs are approved by AICTE, State Government and affiliated to Visvesvaraya Technological University, Karnataka.

About The STP

NS-3 is a discrete-event network simulator for Internet systems, targeted primarily for research and educational use. The goal of the NS-3 is to develop a preferred, open simulation environment for networking research. The NS-3 project is committed to building a solid simulation core that is well documented, easy to use and debug, and that caters to the needs of the entire simulation workflow, from simulation configuration to trace collection and analysis.
