

# RAJARAJESWARI COLLEGE OF ENGINEERING

Ramohalli Cross, Kumbalagodu, Mysore Road, Bengaluru-560074.

## DEPT. OF ELECTRNICS AND COMMUNICATION ENGINEERING

### Professional Development Programme on “Electronic Circuits – Lab Experiments”

- **Date of PDP:** 23<sup>rd</sup> to 24<sup>th</sup> September 2016
- **Venue:** Analog Electronic circuits Lab, Dept. of ECE
- **Resource Person:**
  - Dr. Rangaiah L, Professor, ECE Dept. RRCE
  - Mr. Sripathi V., Associate Professor, ECE Dept., RRCE
- **PDP objective:** To make the faculty proficient in lab experiments
- **Total number of participants:** 9
- **PDP Outcomes:**
  - Participants had learnt about how to design the analog circuits
  - Each non-teaching faculty learnt about how to simulate the analog circuits using Multisim software
  - Participants had gained the knowledge on installation of Multisim software.
