

Inauguration of Department of Robotics and Automation Engineering Association

Name of the Programme	Inauguration of Department of Robotics and Automation Engineering Association
Name of the Chief Guest	Mr.Rajashekara H V Advisor and Head IMTMA Design Institute (BIEC) 10 th Mile, Tumkur Road, Madavara, Bengaluru - 562 123
Day & Date of Programme	Wednesday, 3 rd August 2022
Venue	Aryabhatta Seminar Hall

The outcome of the programme:

Gained the information about the following:

1. Gain knowledge about the importance of the automation
2. Components of Automation
3. Opportunity in Automation

During the inauguration of the association, the resource person Mr.Rajashekara H V, Principal Dr.T.Chandrashekar, Mechanical Engineering HOD Dr.C.Ramesh , Robotics and Automation Engineering HOD Dr.M.Karthikeyan honored the 1st Semester Visvesvaraya Technological University examinations academic toppers with a merit certificate and plaque.

During the inauguration Department of Robotics and Automation Engineering association's name “ **CYBORGS**” is declared by the Chief Guest, Principal, Vice Principal, HOD ME, HOD Robotics and Automation, and other dignitaries.

The Department of Robotics and Automation Engineering association name is suggested by Mr. Lohith M R (1RR21RA011).

Sir,

Sub: Inviting for inauguration department association and guest lecture – reg.

We, RajaRajeswari College of Engineering established in 2006 to nurture and develop innovation among students from diverse disciplines come together to develop many path-breaking initiatives by Moogambigai Charitable and Education Trust (MCET), Bengaluru.

Our college is approved by the All India Council for Technical Education, New Delhi, Govt. of Karnataka & affiliated to Visvesvaraya Technological University (VTU), Belgaum and obtained the highest recognition of NBA and NAAC "A" accreditation, ISO 9001-2008 certification.

We, the Department of Robotics and Automation Engineering started during the Academic Year 2021 -22 strive hard to impart technical education to the young generation of our country. To enrich their knowledge to them in the field of technical education, we have regularly conducted various programs such as technical talks, guest lectures, value-added programmes, organizing industrial visits, etc.

We are happy to invite you to inaugurate the Department of Robotics and Automation Engineering association and request you to give a guest lecture on the topic of motivating the students of Robotics and Automation Engineering.

The programme is proposed to conduct the Technical Talk on Wednesday, 3rd August 2022 at our college from 11 a.m. to 1.00 p.m. The talk will certainly enlighten our students to learn and understand the recent trends and scope in Robotics and Automation.

We request you to accept our invitation and make your presence a memorable one for us.

Expecting your earnest reply.

Thanking you,

29/7/22

Chief Guest Profile

RAJASHEKARA HV

Advisor – IMTMA and Head IMTMA Design Institute.

Qualification: BE in Mechanical Engineering from BMS College of Engg

Overall work experience till date: 37 Years

Advisor capacity: Responsible for the development of Online training models, programme development, Faculty evaluation and content audit for new programmes, New strategy development to meet the customer requirement. Team motivation, process optimization for better effectiveness. Also heading Knowledge Management, Green manufacturing, Six Sigma and Design Clinic.

Senior Director – IMTMA Design Institute – 10 Years

Establishment of Design institute and carryout the design series programmes for fresh engineers to make them industry ready in both mechanical & electrical stream. Also heading Knowledge Management, Green manufacturing, Six Sigma, and Design Clinic.

Engineering Specialist R&D @ Johnson Electric Hongkong. 6 Years

Developing various projects like CNC Machines, Mini All electric Plastic Injection machines, Flexible PCB manufacturing Machines, Automatic Optical Inspection Machines and Modular airless Linear Actuators. Desktop machines, VMC30 and Eco line parts manufacturing platform,

Senior Engineer Design @ HMT limited. 21 Years

Design & development of various Machine tools like Special Purpose Machines for defense, auto companies, GPM's like CNC Turning centers and CNC Machining Center.
