7. Outcomes of the Program :

Student Gain knowledge and understood the following:

- **Produce Better Work**
 - **Time management helps you prioritize your tasks so that you ensure you have enough time available to complete every project. The quality of your work increases when you're not rushing to complete it ahead of a fast approaching deadline.**
- **Effective Time Management Tips For Students**
- **How to Divide the day:**
 - **If you want to make the most of your day, I would divide and conquer. More specifically, I would divide the day into 3 parts.**
 - **How much time do I need?**
 - **Eat slowly and mindfully for 15-20 minutes.**
 - **Go for a walk for 20-30 minutes.**
 - **Get back to work or university lecture with 5-10 minutes to spare.**
