Report on Visit to BIEC, Bangalore

Report of visit to India Energy Week at BIEC on Tuesday, 7th February 2023 with respect to Industrial Visit of 1st&3rd semester students of Electrical & Electronics Engineering

The following faculty members are arranged, coordinated, and accompanied along with the students

1. Mr. Shivalingaiha K L
2. Mrs. Prutha G
3. Mrs. Kiruthika K

No. of Students visited BIEC, Bangalore: 61

Information collected during the visit to India Energy Week 2023 @ Bangalore International Exhibition Centre

- ✚ The India Energy Week exhibition attracted more than 650 exhibiting companies at the Bangalore International Exhibition Centre (BIEC), between 6 – 8 February 2023. But we from RajaRajeswari college of Engineering Visited on 7th February, 2023.
- ✚ Held under the patronage of the Ministry of Petroleum & Natural Gas, Government of India and supported by the Federation of Indian Petroleum Industry (FIPI)
- ✚ Exhibition provided an unparalleled opportunity for buyers and sellers to meet, network and engage with the full energy value chain including leading NOCs, IOCs, NECs and IECs and companies
- ✚ They operated within alternative & renewable, utilities & power generation, construction & industrialisation, technology & services and government & academia.
- ✚ As India emerges as the epicentre of the global energy landscape and the energy sector represents one of the most critical components of India's growth.
- ✚ The success of India Energy Week 2023 has showcased India's achievement as a catalyst for global economic growth with billions of dollars of investment needed to facilitate India's energy transition and achieve its net-zero goals.
- ✚ The event focused on renewable energy. The panel discussions and technical sessions covered topics such as solar energy, wind energy, and hydro energy.
