### Observation report of the students

Ms. Harshitha (1RR21CS064) and Ms. Ambika (1RR21CS012)

#### Career counseling Tips for Students:

- Set up a Long –Term Goal
- Reflect on Hobbies and Extra curricular Activities
- Preparing your Resume and getting trained or coached for interviews
- Build awareness about multiple career choices
- Consult a Professor or Mentor figure
- Look beyond your Degree
- Charting out Possible career options based on the test results
- Identifying best courses/ training to pursue to make a career in the chosen field
- Planning the study experience or Study path

#### Conclusion:

Career guidance can help students understand their strengths, weakness and interests and provide them with a clearer picture of the career paths available to us.

It can also provide students with practical support in areas such as resume writing, Interview skills and job search strategies.

This can help students make a successful transition in to the workforce and achieve their career goals.

The best thing you can do for yourself is to take it easy-

Graduation is just another stepping stone in life. By graduating you have accomplished a lot more than many others managed to achieve by the time they were your age.

Take your time and explore your options- there is an endless plenty of possibilities in front of you when it comes to career development.
