DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING

ECE 5252 Multimedia Design Tools II	ECE 537 Data Mining
ECE 526 Multimedia Communication Systems	ECE 576 Information Engineering

III. Professional Electives   6 credits

Students may complete the professional elective requirements in several ways:
1. Elect the thesis ECE 699 (6 credits) to work under the supervision of a faculty advisor;
2. Take direct study by ECE 591 (3 credits), and one ECE course at the graduate level;
3. Complete ECE 505 and ECE 510 as directed by ECE Department if undergraduate degree is not in Electrical Engineering/Computer Engineering disciplines;
4. Take two additional ECE courses at the graduate level.

IV. Cognate Courses   6 credits

Students are required to select 6 credit hours of graduate-level courses from other non-ECE engineering disciplines, such as:

- Automotive Engineering (AENG)
- Computer Information Science (CIS)
- Engineering Management (EMGT)
- Industrial and Manufacturing Systems Engineering (IMSE)
- Mechanical Engineering (ME)

Students may also select any 500-level course from the mathematics & statistics department (MATH, STAT), **excluding** math subject courses for educators (MATH 508, 5386, 5387, 543, 544, 5440, 5441, 5442, 5443, 5445, 545, 546, 549, 586, 591).

Additional cognate options may be approved by the ECE department.

Enrollment in cognate courses may be dependent on prior authorization from both the non-ECE Department and the ECE department. Please confirm your cognate course selections with the ECE Department, **via e-mail,** prior to registering.

V.   Preparatory Courses

Students with inadequate background in Electrical/Computer Engineering may be required to meet with the department graduate advisor to determine the need for preparatory courses.

For further information please contact:

Department of Electrical and Computer Engineering
University of Michigan-Dearborn
4901 Evergreen Road
2050 IAVS
Dearborn, MI 48128-2406
Tel: (313)593-5420
Email: umd-ecegrad@umich.edu
Website: https://umdearborn.edu/cecs/departments/electrical-and-computer-engineering

ECE Graduate Students:

Watch for an email from it.accounts@umich.edu to the email address you provided on your application for admission. New students receive an email invitation to set up a uniqname and account. The email includes a link to the Uniqname & Account Setup website. Your uniqname is your personal University of Michigan identifier, and is the basis for all login access. Your uniqname is required to access important resources, including University email and the course registration system.

Students are notified by email at their umich.edu email address of any updates, so please be sure to routinely check your UMD email. Starting now, all University correspondence will be sent to your uniqname@umich.edu address.

NEW GRADUATE STUDENT ONLINE ORIENTATION
The Office of Graduate Studies provides a virtual orientation experience conducted through a Canvas course. We strongly recommend that you complete the course before academic classes begin as it contains important information on academic matters, important policies, library basics, and student success resources.
https://umdearborn.edu/admissions/graduate/admitted-graduate-students/new-graduate-student-orientation

UMD STUDENT ID
Get your UM-Dearborn Photo ID at the University Center Information Desk. – Please be aware that most of the campus computer systems will be requiring your Student ID number instead of your Social Security Number. https://umdearborn.edu/uc_photo_id

Get quick access to all the on-campus and digital resources you need for your daily life at University of Michigan-Dearborn at https://umdearborn.edu/students

UM-DEARBORN CATALOG
The UM-Dearborn *Catalog* is a fundamental source of information concerning academic opportunities, policies, regulations, and procedures. It is each student's responsibility to become familiar with the information contained herein. http://catalog.umd.umich.edu/

TUITION, SCHOLARSHIPS, AND FUNDING

UM-Dearborn offers many sources of funding each year to assist students with their academic and living expenses. Graduate students are strongly encouraged to seek funding from sources external to the University of Michigan-Dearborn. For a list of CECS and External Funding opportunities students may consider, please visit https://umdearborn.edu/cecs/graduate-programs/tuition-scholarships-and-funding

REGISTRATION & INSTRUCTIONS

The student is responsible for enrollment in classes and for the following policies and procedures at the University of Michigan-Dearborn. The student must notify the Office of the Registrar, via the Student Information System or email, to officially withdraw from the semester or add/drop any classes. The student can verify changes in course election and assessments via the Student Information System or by contacting the Office of the Registrar.
https://umdearborn.edu/students/office-registrar/registration/registration-planning-resources

ACADEMIC CALENDAR AND IMPORTANT DATES

https://umdearborn.edu/students/registration-records/academic-calendar-important-dates
The Academic Calendar provides information on when course registration opens and closes, the dates classes begin and end, as well as information on the course drop dates and semester withdrawal deadlines. It is your responsibility to abide by the dates established in the academic calendar, as defined by the University Board of Regents.

ADVISING

All students are encouraged to meet with an advisor to develop a plan of study before registering for courses. You are encouraged to meet with your advisor at least once a term. Please refer to your admission letter for a list of faculty members who can advise you.

REGISTRATION ERRORS

Always contact the department that handles the course you are trying to register for and keep your department informed. An override may be entered, so be specific of the type of error you receive.

WAIT LIST

It is very important to report to the first time the class meets, see the instructor for room availability.

ADD/DROP & WITHDRAWAL: You are fully responsible for knowing the procedures.
   ADD: https://umdearborn.edu/students/registration-records/registration/adding-courses
   DROP: https://umdearborn.edu/students/registration-records/registration/dropping-courses
   WITHDRAWAL: https://umdearborn.edu/students/registration-records/registration/withdrawing-term

DEGREE WOKS

Degree Works is a web-based degree audit tool that will help students electronically monitor their progress toward degree completion. This tool greatly enhances and assists students in navigating curriculum requirements. For more information about Degree Works, visit https://umdearborn.edu/rr degreeworks.

For questions regarding your Degree Works audit, contact the Student Admin in your academic unit. You can access Degree Works in UM-Dearborn Connect: http://web-sis.umd.umich.edu/

Planning Your Future Schedules: You can view the ECE Department's *tentative* list of future course offerings at https://umdearborn.edu/cecs/departments/electrical-and-computer-engineering/graduate-programs

You can view current, forthcoming, and past semester course offerings in the **Browse Classes** link at

https://apps-banner-xe6-prod.its.umd.umich.edu:7005/StudentRegistrationSsb/ssb/registration

Applying to graduate: To receive a degree/diploma, students must complete a Degree/Diploma Application. The application should be completed at the beginning of the term in which they expect to complete their degree requirements. Degrees are conferred three times a year. All diplomas are distributed by mail.

Degree/Diploma Applications are available online and at the Enrollment Services counter. Applications may be submitted online, in person, by mail, or by fax to Office of the Registrar on or before the deadline posted by Enrollment Services. Applications accepted after the deadline will require a $35.00 non-refundable late application fee (cash or check only). Payment is due at the time of submission. Applications will not be accepted after the last day of classes for the term the student is graduating.

Students not meeting degree requirements must apply for graduation in a subsequent term by the specified deadline date.

To apply for graduation and submit your request to participate in commencement, visit https://umdearborn.edu/graduation-app/bachelor-master-specialist.

LETTER OF RECOMMENDATION

It is with immense pleasure that I recommend my student **Mrs. Saima Sharieff,** who is seeking admission in your University. I have known her for more than three years as an undergraduate student at my institution.

I have taught her Engineering subjects such as Data Communication and Computer networks. Her deep understanding of the subjects, as well as her quest for knowledge constantly impressed me. Her remarkable grasp of fundamentals and her conceptual ability to analyze and solve problems are praiseworthy. During the course of studies, her performance in the subjects was excellent. Her assignments have been always been well-written, organized, well-supported and timely. She is a student with self-reliance and good levels of self-confidence.

In addition, she is a bright and a percipient student and has consistently shown keen interest in the subjects. She has flair for keeping herself abreast with latest developments in technology. Saima Sharieff has good relationship with all the faculty members of the department. She did not hesitate to interact with the tutors and clears all her doubts in the process. Her communication and organizational skill are well known.

At a personal level, she is a well disciplined, illustrious student with a pleasant personality. As a tutor, I am strongly convinced that Saima Sharieff is sufficiently prepared for taking up Post Graduate program at your esteemed University and I am sure that with her zeal for knowledge and perseverance, she will make a significant contribution to your program.
