11th ALUMNI MEET- SAMANVAYA-2023

Alumni Meet Proceedings which was Held on 26.01.2023

The 11th Annual Alumni meet “SAMANVAYA-2023” of RRCE Alumni Association was held at Rajarajeswari College of Engineering conference hall, on 26th JAN 2023. Alumni Association Coordinator Dr. Savitha B invited all the alumni's and delegates for the meet.

The Alumni meet started with the invocation song making the environment surreal. Followed by the lighting of lamp and invoking the blessings of goddess Saraswathi on all of us. The dignitaries were introduced and felicitated.

The event was anchored by Qurrath ul aien , student CSE Department. The Welcome Speech was presented by Dr. Savitha B, Alumni Association Chief Coordinator.

The newsletter in the name of SAMANVAYA-2023 was released by the dignitaries. The principal of RRCE Dr. R Balakrishna addressed the gathering and enlightened us with information and motivation.

Followed by a talk from the Vice-principal of RRCE, Dr. Amuthraj. Followed by talk from the Dean and Research head and HOD Computer Science Engineering, Dr. Usha S. The HODs of ECE, EEE and Mechanical Engineering shared the dias and it was great to have them addressing the gathering.

Few Alumni's spoke and expressed that they felt proud about seeing the growth of RRCE in academics infrastructure and placement they also requested for more knowledge on practical concepts which they promised to join their hands with college through alumni association for betterment of the students.

The Cultural Events such as the dance performance and the Signing performance were a part of cheering and brightening up the event.

The vote of thanks was proposed by Prof. Manasa, Dept of MBA.

Summary of the event:

- ✦ The event started with welcoming the alumnus for the event by Alumni head HoD-CSE Dr.D.Sivakumar and Dr. Savitha B, Pre final year students of Computer Science & Engineering students participated.
- ✦ Around 110 students from Computer Science & Engineering participated in the event. He went through all the mistakes he came across in his engineering life that let him down and later told about the moral support he got from his mentors that made him stand in this position today.
- ✦ He let us know about the importance of why when and how the internship works helping in getting placed with highest LPA that makes us stand unique among others. He later guided us regarding the points where we all go wrong in this peculiar and precious engineering life.
- ✦ He even told us about the Resume building and the interview tackling techniques, finally he told us how strong an engineer would stand if you would utilize engineering period as a serious one and lead our life to success. Students have given the feedback to organize such events to get more exposure to present requirements and have a relation with passed out alumni.
- ✦ After the interaction with the students, the resource person was honoured with Memento as a token of appreciation to conclude the event.
