### PROJECT NAME

## BLOOD DONATION DRIVE

DATE- 02/04/2023

ROTARACT CLUB OF RRCE

Blood donation has been an initiative fellow human beings do to uphold each other lives amidst the barriers of any background or structure. Blood thereby stands an indistinguishable form of support to help a life under any circumstance.

In this regard, rotaractors from Rotaract Club of RRCE and Rotaract club of Bangaluru organized a blood donation drive on 02<sup>nd</sup> APRIL 2023 home grounds – RajaRajeswari College of Engineering with Bangaluru medical service trust and TTK group of companies between 9am to 3:30pm with **Rtr Sunaad C** as the project chair.

All the donors were provided with refreshments and the event came to end with 101 people donating blood by showing avid interest thereby making the drive a successful one.
