GREEN CLUB AND NSS

REPORT ON WORLD ENVIRONMENTAL DAY CELEBRATION ON 5th JUNE 2023 AT RRCE CAMPUS

The world environment day is celebrated on 5th June 2023 to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet.

Keeping this aim in view, NSS & GREEN CLUB Unit celebrated World Environment Day on 5th of June 2023. Students of various branches from department participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

RajaRajeswari College of Engineering celebrated Green day on 05/06/2023, Monday at RRCE campus. Go green is a step to conserve our nature and lead eco-friendly life, which will help us as well as nature to sustain the natural resources for future generations. A clean and green environment always calms our minds and helps us to reduce stress.

Mr Devaraju V, Deputy conservator of forest, Ramanagara territorial division Govt of Karnataka chief guest as planted tree in campus and narrated how forest department is taking initiatives to maintain natural ecology in the forest and nearby regions.

The event had in attendance, Heads of Departments across the faculties of the college. The committee was represented by Principal, Vice Principal, faculty members, NSS Volunteers Participated in this event Plantation: 'Let's nurture the nature so that we can have a better future', So we the group of RRCE Green Club and NSS have taken the initiative to make our campus as Green and Clean by plantation. Around 380 Students participated in the World Environmental Day Celebration.
