Date & Time : 15th February 2024 & Timings : 12.00 P.M. to 01.00 P.M.

Alumnus visited : Ms. Neha Bothra

Batch : 2013 – 2017 batch

Organization : Foradian Technologies, Bengaluru

Designation : Pre-Sales Manager in Foradian Technologies

Summary of the event:

The event started with the welcoming of the alumnus Ms. Neha Bothra, Pre-Sales Manager of Foradian Technologies, Bangalore by Dr.J.Amutharaj, Professor and HoD – ISE & RRCE Alumni Association coordinator Dr. Savitha B. Around 75 students of II year and III year Information Science and Engineering department have participated in the Alumni interaction programme.

Ms. Neha Bothra (Alumni ISE Dept. 2013– 2017) Pre-Sales Manager of Technologies interacted with 2nd, 3rd ISE students. She has informed the students that Universities and colleges abroad especially U.S.A., CANADA, U.K., Australia, are actively engage their students with a balance between theory and practical components. They offer both on campus and off campus experiences to equip their students with skills to help them get better exposure on Industry practices. She also guided about higher studies in abroad and sanitized the students on various scholarships in abroad universities and how to apply for Educational loans for Master's abroad.

She explained that what and all the procedures need to be followed when we want to join Master's abroad and also she guided whom we need to consult for making smooth way towards getting admission in the best universities abroad. She also gave us the list of exams which can make us eligible for securing seat in the top universities abroad with lesser tuition fees payment.

She has narrated which and the problems faced by her during her admission which helped us to be alert during admission. She also gave current technological developments in the IT industry in abroad and the interview tackling techniques that are used in abroad universities during placements. Finally she told the students, should utilize the various opportunities provided to them once after securing degree they should focus on right path which helps them to grow with a strong career.

She has given tips to crack eligibility Tests like IELTS, GRE, TOEFL and GMAT for higher studies abroad. She has explained about how to write the Statement of Purpose (SOP) and Letter of Recommendation (LOR). She has informed the students on how to apply for scholarship and Research Assistance and get part-time work permission while doing Master's.

She also explained how placements are conducted in campus as she was an alumna of our college. She also gave knowledge about which are the technologies are trending in industry which are the knowledge that should be known for the students to get good job. She also explained which are the technologies that have more demand in the industry that helped students to choose perfect domain for future career

Students have given the feedback to organize such events to get more exposure to present requirements and have a relationship with the Alumni members of ISE Department and RRCE.

After the interaction with the students, the resource person was honoured with the Memento a token of appreciation. Mrs. Vijayalaxmi Joshi, Alumni Association coordinator of ISE Dept., Mrs. Rathidevi T, Asst. Professor of ISE Dept have coordinated the interaction.
