Invitation to Dr Vishwanath K C to act as jury member for SRISHTI 2024

Date: 13/05/2024

To,
Dr. Vishwanath K C
Associate Professor
RRCE, Bengaluru

Subject: Invitation to be an esteemed Jury Member for Srishti 2024 State Level Project Exhibition & Competition

Srishti a project of Vidyarthi Shikshana Seva Trust, is a competition for the exchange of ideas, and has been a celebration of science with the intent to solve key issues plaguing our country with the objective of providing a platform to the creative, enthusiastic students, and budding scientists to give an insight into the entrepreneurial avenues wide open to them.

The journey of Srishti Innovation Exchange Exhibition commenced modestly in 2002, with 26 colleges and 1130 students and over the years, it has grown exponentially, by conducting 20 State Level Exhibition & Competition by reaching more than 150 colleges and benefiting around 30,000 students. With its 18th edition this year, Srishti aims to inspire and empower young engineers and budding entrepreneurs through various workshops, competitions, and interactive sessions.

On behalf of the organizing committee of Srishti - Innovation Exchange, we are delighted to extend an invitation to you to join the esteemed jury panel for the Final Year Project competition. As a jury member, your expertise and insights would be invaluable in evaluating the projects and determining the winners who demonstrate exceptional creativity, technical prowess, and real-world applicability.

Event Details:

Date: 24th & 25th May 2024 Time: 09.00 am - 04.30 pm Venue: Atria Institute of Technology, Bengaluru

Your Role as a Jury Member: Evaluate project presentations based on innovation, technical complexity, and practicality. Provide constructive feedback to participants to encourage continuous improvement. Collaborate with fellow jury members to ensure fair and unbiased judging and select outstanding projects deserving of recognition and awards. We believe that your experience and knowledge will greatly enrich the judging process and inspire participating students to reach new heights of achievement.

We look forward to your positive response. Please confirm your availability and acceptance of this invitation at your earliest convenience.

Sincerely,

D.S. Krishna
