BIO INSPIRED ENGINEERING -2K24

1. Type of Event : **BIO INSPIRED ENGINEERING**
2. Event Name : “ **BIO INSPIRED ENGINEERING -2K24**”
3. Date of Organization: **Saturday, 13th July 2024**
4. Event Coordinator: Prof. Kirutika K, Prof. Udhyami M B
5. Outcome of the Event:

The event was conducted 13th of July, 2024 where from EEE students took part for the event **BIO INSPIRED ENGINEERING -2K24**. To familiarize the students with the basic biological concepts and their engineering applications. To enable the students with an understanding of biodesign principles to create novel devices and structures. We had a wonderful time by knowing such a nice talent.

The event was conducted successfully and the students for their amazing performance.

We had an amazing Judges –

1. Dr. Sumitha Manoj Asso. Prof. Department of ECE,
 2. Dr. ThanujKumar, Asso. Prof. Department of Robotics & Automation Engineering
- They judge this event ,

Outcome of the events are,

1. Evaluate the principles of design and development, for exploring novel bioengineering projects.
2. Think critically towards exploring innovative biobased solutions for socially relevant problems

All the students from 2nd year students – 68 participated in the event very actively made the program grand success
