## Webinar on Your Roadmap to Your Career Success

Resource Person: **Archana R Mulge (MCA Alumni 2023), Process Consultant (Analyst), Sagility Private limited, Bangalore.**

Date : **26-09-2024**

Time : **10.00 AM – 12:00 Noon**

### **Objective of the Program:**

The objective of "Your Roadmap to Career Success" is to provide a comprehensive and structured guide that empowers individuals to identify their career goals, develop actionable plans, and navigate the challenges of the professional landscape. This roadmap aims to equip participants with essential skills, resources, and strategies to enhance their employability, build a strong professional network, and achieve long-term career fulfillment. Through self-assessment, goal setting, skill development, and ongoing evaluation, individuals will be able to take proactive steps toward realizing their career aspirations and adapting to an ever-changing job market.

### **Program Outcomes:**

- **Clarity in Goals:** Participants will articulate clear and achievable career objectives tailored to their passions and strengths.
- **Actionable Plans:** Attendees will develop a personalized roadmap outlining steps to reach their career milestones.
- **Skill Development:** Individuals will identify and enhance key skills relevant to their desired career paths, improving their marketability.
- **Networking Proficiency:** Participants will cultivate effective networking strategies, enabling them to build and maintain professional relationships.
- **Adaptability:** Graduates will demonstrate the ability to adapt their plans based on market trends and personal growth, ensuring ongoing career relevance.
- **Confidence and Self-Advocacy:** Individuals will gain the confidence to advocate for themselves in professional settings, including interviews and negotiations.
- **Evaluation and Reflection:** Participants will learn to regularly assess their progress and make necessary adjustments to stay aligned with their career goals.

**Target audience:** MCA 1<sup>st</sup> year Students

Number of Audience: **130 Participants.**
