Leadership Talk on "Developing a Competitive Innovation & Research Proposal" for the Faculty
members on 17.1.2024

Leadership Talk on "Developing Competitive Innovation and Research Proposal" jointly organized
by RRIIC & Electrical and Electronics Engineering (EEE) Department of RajaRajeswari College of
Engineering, Bengaluru

Date: January 17, 2024 **Time:** 11:00 A.M to 1.00 P.M.

Venue: APJ Abdul Kalam Hall

Resource Person :

Dr. Uday Maitra,
Professor,
Department of Organic Chemistry,
IISc, Bangalore

The EEE Department of RajaRajeswari College of Engineering, Bengaluru & RajaRajeswari Institution
Innovation Council (RRIIC) jointly organized a Professional Development Program focused on "Developing a
Competitive Innovation and Research Proposal".

Objective:

This event was designed to equip faculty members, researchers, and students with the necessary skills and
knowledge to craft effective and compelling research proposals.

Opening Remarks:

The event commenced at 11:00 AM with a welcome address by Principal, RajaRajeswari College of
Engineering, highlighting the importance of research and proposal writing in academia and industry.

Keynote Session by Dr. Uday Maitra:

Dr. Uday Maitra, a distinguished Professor from the Department of Organic Chemistry at IISc, Bangalore,
delivered the keynote address.

His session covered:

Understanding Research & Innovation Proposals: The essential components of a Research & Innovation
proposal, including objectives, methodology, budget, and expected outcomes.

Identifying Research Gaps: Techniques for identifying and articulating research gaps that a proposal aims to
address.

RajaRajeswari Institution Innovation Council (RRIIC)**

Funding Opportunities for Innovation and Research : Overview of various funding agencies and opportunities available for research grants and Innovation grants.

Proposal Writing Tips: Practical tips and strategies for writing clear, concise, and persuasive proposals.

Common Pitfalls: Common mistakes to avoid during proposal writing and submission processes.

Interactive Q&A Session:

Participants had the opportunity to engage with Dr. Maitra in an interactive Q&A session, where they could seek advice and clarification on specific aspects of their research proposals.

Closing Remarks:

The program concluded with closing remarks from the organizers, expressing gratitude to Dr. Maitra for his insightful presentation and to the participants for their active involvement
