Leadership Talk on “Research – Ideation – Innovation and Product Development”

Department of Information Science and Engineering & RajaRajeswari Institution Innovation Council (RRIIC) of RRCE jointly organized a Leadership Talk on “Research – Ideation – Innovation & Product Development” on **7th October 2024 Monday between 9.30 A.M. and 11.30 A.M.**

Resource Person : **Dr. P. Ebby Darney M.E., Ph.D**

Professor & HOD – EEE &

Vice President – European International University, Paris.

Date : 7th October 2024 & Time : 9.30 A.M to 11:30 A.M

Objective of the Programme :

- ✓ The objective of the leadership talk is to sensitize and motivate students on Research, Ideations and Innovation which leads to product development in the near future

Number of students participated : 64 students

Number of faculty members participated : 6 staff members

Outcome of the Programme:

The students were able to understand on research methods, Research Ethics, Ideation, Innovation and Product Development.

Students were gathered knowledge on Quantitative Research methods, Motivation for Research and reasons for carrying out research through Literature reviews and research studies presented by earlier researchers.

Students were sensitized on Ideation and Innovation for sustainable society and welfare of needy and downtrodden people and underprivileged people.

Students were motivated to involve in project development and product development for the welfare of people and society during their academic project work phase of engineering course.
