ಮತದಾರರ ಪ್ರತಿಜ್ಞಾ ದಿನಿ

ಪ್ರಜಾಪ್ರಭುತ್ವದಲ್ಲಿ ದೃಢ ವಿಶ್ವಾಸವುಳ್ಳ ಭಾರತದ
ಪೌರರಾದ ನಾವು, ನಮ್ಮ ದೇಶದ
ಪ್ರಜಾಸತ್ತಾತ್ಮಕ ಸಂಪ್ರದಾಯಗಳು ಮತ್ತು ಮುಕ್ತ
ನ್ಯಾಯಸಮ್ಮತ ಮತ್ತು ಶಾಂತಿಯುತ
ಚುನಾವಣೆಗಳ ಘನತೆಯನ್ನು
ವಿತ್ತಿ ಹಿಡಿಯುತ್ತೇವೆಂದು ಮತ್ತು ಪ್ರತಿಯೊಂದು
ಚುನಾವಣೆಯಲ್ಲಿ ನಿರ್ಭೀತರಾಗಿ ಮತ್ತು ಧರ್ಮ,
ಜನಾಂಗ, ಜಾತಿ, ಮತ, ಭಾಷೆ ಅಥವಾ
ಯಾವುದೇ ಪ್ರೇರೇಪಣೆಗಳ ದಾಕ್ಷಿಣ್ಯಗಳಿಂದ
ಪ್ರಭಾವಿತರಾಗದೆ ಮತ ಚಲಾಯಿಸುತ್ತೇವೆಂದು
ಈ ಮೂಲಕ ಪ್ರತಿಜ್ಞೆ ಸ್ವೀಕರಿಸುತ್ತೇವೆ.

(Reference: VTU/BGM/MDFC/01/2023-24/6087)

Submitted by: Prof. Ramesha S, NSS Programme Officer, Rajarajeswari College of Engineering

Dr. Jobish Johns, Drugs Awareness Club Coordinator, Rajarajeswari College of Engineering

Date: 28-02-2024

This report provides a comprehensive overview of the initiatives undertaken at Rajarajeswari College of Engineering (RRCE) in the context of the 'Drug-Free Campus' Campaign. The report covers two primary aspects - the implementation of an E-Pledge system and the formation of an Drugs Awareness Club. These initiatives aim to promote a healthy and drug-free environment among the students and staff members at RRCE.

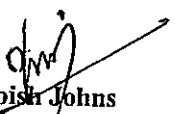

1. E-Pledge for 'Drug-Free Campus' Campaign

In response to the growing concerns about substance abuse and its impact on academic and personal well-being, RRCE initiated the 'Drug-Free Campus' Campaign. The primary objective is to raise awareness, educate, and engage the college community in actively preventing and combating drug abuse. To enhance the reach and convenience of participation, an E-Pledge system was implemented. This digital platform allows students and staff members to take the pledge online, demonstrating their commitment to maintaining a drug-free environment on the campus. The E-Pledge system has been integrated with the <https://pledge.mygov.in/fightagainstdrugabuse/> website and is easily accessible to all. The E-Pledge campaign was promoted through various WhatsApp groups across the campus. As of the reporting period, more than 1000 members, including students and staff, have participated in the E-Pledge campaign. This demonstrates a significant engagement level and a positive response to the initiative.

2. Formation of Drugs Awareness Club

Recognizing the need for sustained efforts in maintaining a drug-free environment, RRCE established the Drugs Awareness Club. The club serves as a platform for students and staff to actively contribute to the prevention of drug abuse by organizing awareness programs, events, and support systems within the campus. The Drugs Awareness Club has outlined future plans, including expanding outreach programs, conducting more workshops, and collaborating with external organizations working on similar initiatives. The implementation of the E-Pledge system and the establishment of the Drugs Awareness Club at Rajarajeswari College of Engineering reflect our commitment to creating a drug-free campus environment. These initiatives have garnered positive responses and active participation, indicating the success of our ongoing efforts in building a healthier and safer community.

E-Pledge for a 'Drug-Free Campus' Campaign

(Reference: VTU/BGM/MDFC/01/2023-24/6087)

Date: 19-02-2024

Dear RRCE Community,

We are writing to bring your attention to a significant initiative that aligns with our commitment to promote a safe and healthy campus environment.

The Narcotics Control Bureau (NCB), Government of India has initiated a 'Drug-Free Campus' mission, and Rajarajeswari College of Engineering, Bangalore, has been selected to actively participate in this noble cause. As part of this endeavor, the NCB has mandated that all staff and students of our institution take the E-Pledge for a 'Drug-Free Campus.'

Objective:

The objective of this campaign is to promote awareness about the harmful effects of drug abuse and to unite our college community in creating a safe and drug-free environment.

Instructions:

We request all staff and students to take the E-Pledge online. The deadline for taking the E-Pledge is 26th February 2024.

Certificate of Participation:

Upon successful completion of the E-Pledge, participants will receive an online certificate from the Narcotics Control Bureau as a token of appreciation for their commitment to the 'Drug-Free Campus' mission.

Steps to Take E-Pledge:

- Visit <https://pledge.mygov.in/fightagainstdrugabuse/>
- Fill in the required information.
- Check the pledge box to express your commitment.
- Submit the form.

We encourage everyone to actively participate in this campaign and contribute to making our campus a safer place for all. Let us stand united against drug abuse and create an environment that promotes well-being and academic excellence.

Your cooperation and active involvement in this mission are highly appreciated.

Thank you for your attention and commitment to a 'Drug-Free Campus.'

Best regards,

GREEN CLUB AND NSS/YRC

REPORT ON WORLD ENVIRONMENTAL DAY CELEBRATION ON 14th JUNE 2024 AT RRCE CAMPUS

The world environment day is celebrated on 14th June 2024 to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet.

Keeping this aim in view, GREEN CLUB & NSS/YRC Unit celebrated World Environment Day on 14th of June 2024. Students of various branches from department participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

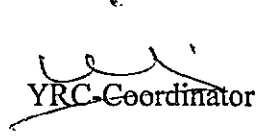

RajaRajeswari College of Engineering celebrated Green day on 14/06/2024, Monday at RRCE campus. Go green is a step to conserve our nature and lead eco-friendly life, which will help us as well as nature to sustain the natural resources for future generations. A clean and green environment always calms our minds and helps us to reduce stress.

Mr D R Kumaraswamy, Director for Prakruthi Institute of Environmental studies Bangalore chief guest as planted tree in campus and narrated how Pollution is taking initiatives to maintain natural ecology in the forest and nearby regions.

The event had in attendance, Heads of Departments across the faculties of the college. The committee was represented by Principal, Vice Principal, faculty members, NSS Volunteers Participated in this event Plantation: 'Let's nurture the nature so that we can have a better future', So we the group of RRCE Green Club and NSS have taken the initiative to make our campus as Green and Clean by plantation. Around 380 Students participated in the World Environmental Day Celebration.

Report on Sadbhavana Day organized on 20th August 2023 at RRCE.

Sadbhavana day was organized at RajaRajeswari College of Engineering, through National Service Scheme Unit on 20-08-2023.

Sadbhavana literally means "Good Feelings" or "Good Will". The main theme of Sadbhavana is to promote good will, national integrity and communal harmony among the people of India irrespective of caste, creed and religion. The theme is promoted by taking "Sadbhavana Day Pledge".

SADBHAVANA DAY PLEDGE

"I take this solemn pledge that I will work for the emotional oneness and harmony of all the people of India regardless of caste, Creed, religion, region or language. I further pledge that I shall resolve all differences among us through dialogue and constitutional means without resorting to violence".

Principal, All Dept. HODs, Faculty, Students and NSS Volunteers Participated in this Event.

2. Event Duration: 10/1/2024 - 12/1/2024
4. Venue: RRCE Lobby
5. Total number of Participants: Staffs and Students
6. Outcome of the program:

People enjoy the festivities of the season by various activities like kite flying, pot breaking, best department photography, pot painting and enjoying the delicacies which is especially made with til (sesame seed) and jaggery.

7. Events are as follows:

1. POT PAINTING:

It is a hobby in which a person decorates clay pots and vases in various ways. It is a very interesting hobby as the results are often quite diverse and creative.

Winners:

SL NO	NAME	BRANCH	PRIZE
1.	Sushma	EEE	First
2.	Keerthana	EEE	Second
3.	Jyostana	EEE	Third

2. KITE FLYING:

Flying a kite is probably one of the most exhilarating experiences a child can have. A sense of pride, joy, and accomplishment washes over them as their eyes watch this object they built fly into the sky. They smell the great outdoors as their hands feel the vibrations from the wind helping their kite fly.

Report of Industry Visit

Report of visit to M/s Bharath Arts and Crafts, Channapatna, Ramanagara (Dt) on Monday, 5th February 2024 with respect to the subject 21SCR36 SOCIAL CONNECT & RESPONSIBILITY of 3rd-semester students of Robotics and Automation

Students gained information about Channapatna toys production, dyes to color the toys, eco-conscious etc.

The following faculty members are arranged, coordinating, and accompanying the students

1. Dr. Satheesha V , Associate Professor -R&A
2. Dr. ThanujKumar M , Assistant Professor -R&A
3. Dr. Radhakrishna R K, Assistant Professor -R&A
4. Dr. M. Karthikeyan, Professor and HOD-R&A

Information collected during the visit at M/s Bharath Arts and Crafts, Channapatna, Ramnagara (Dt)

- As we all know channapattana is famous for manufacturing toys that are made up of wood.
- We first visited the toys store in channapattana and learn about the various handmade manufacturing procedures for making wooden toys and purchased a few toys.
- All toys were very catchy and felt like buying everything in the store.
- When we discussed with the working staff there in the toy store, they gave the information about the various types of wood and the making procedure of wooden toys.
- All the toys were made in different kinds of woods like neem, aleemara and rosewood and many more.
- Another wood , they import it from 50 km away from channapattana which is a very unique tree.
- The toys or products manufactured were not only playing kits for children but also key chains, home décor items, kitchen set items, bangles, showcase dolls, and also education-related toys or playing boards were also there.
- The colors that they apply to the toys are natural colors from turmeric and many more.
- Then, we visited channapattana arts and handicrafts industry.
- In industry, they bring the raw materials different types of wood and start to manufacture different types of shapes for desired products.
- There the machine used to give finishing to the product or surface finishing was by using salt paper and keeping the work piece to be smoothed in the belt driven mechanism.
- The belt keeps rotating at a speed (rpm) where the work piece is kept to rotate, the worker starts to give surface finishing to the object by rubbing it to it's surface using salt paper.
- And giving color to the object is of the same procedure, for that process they use natural colors like an ancient leaf called taalegari which gives green color.
- And finally giving it a finishing touch the process completes and the product is ready to sell.
- There we saw a CNC machine giving a design for a butterfly product.
- There we asked the operator how this works.
- The person explained that the remote showing x-axis is the axial line moving in x or horizontal direction, y in vertical direction and z-axis is for how much depth it goes inside the wood.
- They use the software called Corel Draw and design the product and copy it to a pen drive and plug it to the remote and then the operation is carried out.

Report on "Industrial Visit"- 2024

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Type Event : "Industrial Visit"
2. Venue : M/s Prob B Machine Pvt. (Honing Machines) Ltd.
B-510/A, 4th cross, 9th Main Road, 4th Phase, Penya, Bengaluru
3. Time : 10.00 am to 02.30 pm
4. Staff Co Coordinator : Dr. Anitha.B.S
Associate Professor
Department of Mathematics
RajaRajeswari College of Engineering

Dr. Vishwanath KC
Associate Professor
Department of Robotics and Automation
RajaRajeswari College of Engineering
5. Dates of the programme: Friday, 3rd May 2024
6. Students attended : 1st Year, 2nd Semester students of the
Department of Robotics and Automation

8. Outcome of the Programme:

Students gained information about the following:

1. Different types of materials, standard elements.
2. Types of automated machining process
3. Metal forming process
4. Honing process
5. Automation demonstration -HM 2045

Report on Industrial visit for 7th Sem Students

Date: 26/12/23

Venue: VIHAAN TECHNOLOGY

Addressed by: MANUSUDHNA B S
M Tech [Ph.D.]-Gold Medalist in AI

About Vihaan Technology:

ADVI GROUP of Companies with diversification in ventures with nearly one decades of experience in managing the systems and workings of global enterprises, we expertly steer our clients through their dig journey. We also empower the business with agile digital at scale to deliver unprecedented levels of performance and customer delight. Our always-on learning agenda drives their continuous improvement through building and transferring digital skills, expertise, and ideas from our innovation ecosystem with about who we are. It is our character. It is reflected consistently in all our behavior. The Spirit is deeply rooted in the unchanging essence of ADVI. But it also embraces what we must aspire to be. It is the indivisible synthesis of the four values A-ADWITEYA, -DECISIVE, V-VIHAAN, I-IMBUE. The Spirit beacon. It is what gives us direction and a clear sense of purpose.

It energizes us and is the touchstone for all that we do in the domain of Electronic Design Services (EDS) SI/EMBEDDED Systems, CONSTRUCTIONS and Society Based Services. On IT-SERVICES solut lend customers in the IT and Engineering R&D businesses, the competitive advantage to stay relevant in market and achieve business objectives consistently delivering a wide variety of end-to-end services, including design, development, & testing for customers around the world. Our engineers have expertise across a wide range of technologies, to the engineering efforts of our clients.

About the speaker:

MANUSUDHNA B S, M Tech (Ph.D.), LL.B - Gold Medalist in AI

The founder of ADVI GROUP of Companies is

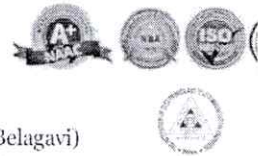

Mr.B.S.Manusudhan, M Tech (Ph.D.), LL.B dynamic Entrepreneur in the field of designing products had worked with CIL R&D Division- SAP Division, Radio Frequency & Wireless Antenna Design VTU - R&D Wing, Aavishkar Research Cell. With the vision to develop the employability and entrepreneurship skill in today's young generation that Helps to overcome the unemployment threats. Transferring manual functions to computerized systems is there vision life, with this vision they established VS Technology in 2010. VS Technology is supported by strong dynamic Team.

Objectives:

The main objective is to motivate to work on live projects

The following mentioned titles are discussed by the guest speaker which are:

- Hardware hands-on project
 - Software testing projects
 - Antenna based projects
 - Career guidance
- a. The session was extended with some discussion from the students
 - b. Along with that he showed various designs of hardware model and he has explained each and every models with demo

Outcomes:

Students gain benefits of real time projects and knowledge about current trending tools.

Total Number of participants: 1 faculty + 44 students

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

“Social Entrepreneurship & Life skills for GIG Economy”

- ❖ Date: 7th August 2023
- ❖ Venue: APJ Abdul Kalam Hall, RRCE
- ❖ Instructor: Mr. R. Sathish Raj
CEO, E-Crusaders, Chennai

❖ Objective:

The session was intended to develop Life skills and provide awareness about Entrepreneurship to our Electronics and Communication Engineering students. Developing business practices in students which can generate positive and sustainable change in society.

The objective of this program was to learn

- What is Social Entrepreneurship?
- Details about Gig Economy
- Importance of Life skills in Business practices

❖ Total numbers of participants: 200

❖ Major Session Contents:

Mr. R. Sathish Raj inspired the ECE students by speaking about Dr. A P J Abdul Kalam and his dreams. He gave a clear understanding how to take care of social issues while setting up an entrepreneurial venture. The session taught our students how to dream, what are the pillars of life.

The major points covered in the Technical Talk are the following:

- **Goals and dreams.**

Align your goals and dreams in such a way that they focus on the 6 pillars, namely- mental health, physical health, family, finance, spirituality or connection with god and social responsibility.

- **Gratitude journal.**

Write a few things you're grateful for each day.

He also mentioned a quote that I really liked- when your eyes are positive, you'll love the world.

When your mouth is positive, the world will love you.

- **A brainstorm journal to basically keep a track of/ make notes on the TED talks you'll listen to or the inspiring content you consume.**
- **It's similar to a brain dump where whenever you're stressed, you'll write down all the negative thoughts on your mind to clear them from your head.**

He also mentioned something called RAA i.e., Read, Ask and Action which means that if you want to do something, first read about it, then ask people who have similar experiences to the thing you want to do and get their feedback and lastly act on it.

Circular

Date:07/02/2024

All the students are hereby informed that the ELECTRONICS AND COMMUNICATION ENGINEERING Department is Organizing a career guidance program on "Transistor Revolution and Cutting edge technology for future of semiconductor world" on 10/02/2024.

Venue : Dr.Satyendranath Bose seminar Hall, Department of ECE. RRCE, Bengaluru.

All the students are encouraged to attend the program.

Resource person: MrManjunath J, Analog design engineer @ Intel Corporation Bengaluru.

#14, Ramohalli Cross, Kumbalgodu, Mysore Road, Bengaluru - 560074

ABOUT SPEAKER:

Manjunath J is currently working as Analog design engineer @ Intel Corporation Bengaluru. He has one patent and one publication in analog design. He has got 2nd Rank in DCET Karnataka state in engineering entrance exam. He has received M.Tech in VLSI DESIGN & EMBEDDED SYSTEM, from B M S College of engineering Bengaluru and BE in Electronics & Communication from V College of engineering Bengaluru. He has been topper in his most of the academic years and grabbed many scholarships

Objectives:

TITLE: Transistor Revolution and Cutting edge technology for future of semiconductor world

- To enhance students Technical skills
- To understand what the companies are need from ECE students.

The following mentioned titles are discussed by the addressed by the speaker which are:

- Motivated students to learn Technical skills activities.
- Explained briefly about Semiconductors stages with demo videos and manufacturing video.
- Followed by that he has briefly discussed about MOSFET and IC's.
- Finally he has interacted with students and explained Projects and what companies are looking from our engineering students

Outcomes:

- Students learned about MOSFET, IC, and SEMICONDUCTORS.
- Also they gained the knowledge about some projects which will be helpful for their upcoming semesters.

Total Number of participants: 108

Report on Trigger 2K24

NAME OF THE DEPARTMENT: Department of Computer science and Engineering

1. Type of Event : Trigger 2K24
2. Resource Person : Mrs. Amutha Kandaswamy,
Senior Professional Application Delivery Manager, HP
Bengaluru.
4. Date of the Programme: Thursday, 9th May 2024
5. Faculty Co-Ordinator: Mrs. Priyanka V. Gudada,
Assistant Professor,
Department of CSE
RajaRajeswari College of Engineering
Bengaluru 560074
6. Students attended: Presidency university, RVCE, DBIT, BMSCE, CANARA Engineering college
Mangalore, SJBIT, T John Institute of Technology, AMC, ACS, RRMCH, RRDCH, RRCE, etc.,
7. Outcome of the Programme:
 - The symposium included many of the technical events participated by good number of students.
 - This helped the students to show their strength in technical Events: Debugging, Project, Paper Presentation, Mock-Interview, Web Page Creation & Technical Quiz.
 - The nontechnical events such as Treasure hunt, Super Minute, Volley ball, Games were challenging to students and created lot of vibrancies.
 - This event is organized, participated and planned by the students and they got to learn lot of organizing, fund generation, accounts, event coordination etc.
 - The students exhibited their talent. This is added colors to the whole event.
 - These types of activities keep the students active, encouraged, and confident

Students gained information about the following:

1. About general topics to participate Quiz Event.
2. About how to present the papers like presentation skill and improved confidence level.
3. Case study about web development.
4. Skills set to be required to participate for code buzz
5. Entertainment and innovative activities.

Information collected during the Foodex Festival

- ✦ This Foodex festival was conducted on behalf of Module 5 Food Walk from Social Connect and Responsibility Subject to gain the Social Knowledge to students.
- ✦ This Helped to learn to have responsibility socially and economically in the business area. Which intend provided a great opportunity to get among the society and learn the methods of business and hygienist in social life.
- ✦ Food festivals have become an increasingly popular way to bring together people from different cultures to celebrate the diverse culinary traditions.
- ✦ One such event was the food fest conducted at RRCE (RajaRajeswari College of Engineering) in Bangalore, India, which aimed to showcase the rich and varied food cultures of the country.
- ✦ The event took place on 9th February 2024, and featured a variety of food stalls.
- ✦ The food fest was a one-day event that brought together various food items across the city, each offering a unique array of food items.
- ✦ The stalls were arranged in a U-fashion around the main stage, which was the focal point of the event. Visitors had the option to purchase food.
- ✦ The event was well-organized, with clear signage and directions throughout the venue.
- ✦ The food items on offer were diverse, ranging from chats and many more. There were also stalls selling a wide range of tastes.
- ✦ Overall, the food fest conducted at RRCE was a successful event that showcased the rich and varied food cultures of India. The event was well-organized & enjoyed a lot...!!

GREEN ENERGY PROJECT EXPO

1. Type of Event : **GREEN ENERGY PROJECT EXPO**
2. Event Name : **“GREEN ENERGY PROJECT EXPO”**
3. Date of Organization: **Saturday, 13th March 2024**
4. Event Coordinator: Prof. Kirutika K

Outcome of the Event:

The event was conducted 13th of March, 2024 where from EEE students took part for the event **“GREEN ENERGY PROJECT EXPO”**.

Green energy is that which comes from natural sources, such as the sun, wind, Bio-waste. Clean energy are those types which do not release pollutants into the air. Renewable energy comes from sources that are constantly being replenished, such as hydropower, wind power or solar energy.

Object of the events are,

1. Learnt the basic knowledge of Power generated by renewable sources, such as wind, water, and sunlight.
2. The event was conducted successfully and the students for their amazing performance.

Outcome of the events are,

1. Evaluate the principles of design and development, for green energy projects.
2. Think critically towards exploring innovative to produce power from renewable sources.

All the students from 3rd year students – 33 participated in the event very actively made the program grand success

IDEATHON 2024 on "Best Out of Waste and Renewable Energy"

Type of Event : **IDEATHON 2024** on "Best Out of Waste and Renewable Energy"

Title of The Event : Idea Presentation & Pitching on "Best Out of Waste and Renewable Energy"

Date : 10.7.2024 Timing : 10.00 A.M. - 4.00 P.M.

Venue: Satyendra Bose Seminar Hall, ECE Dept.

Target Participants : U.G and P.G Students of RRCE & other colleges

Number of Students participated : 132 students (34 Teams)

Number of Faculty members involved : 10 staff members

Outcome of the Program:

- It has helps the students to present their innovative ideas on using waste & how to develop an innovative product.
- It helps to conversion of waste into a best product.
- It helps to bring creative ideas in students and it converts into innovation.
- It helps students to maintain environment clean and hygienic. & students know about reduce, reuse and recycle
- With some imagination items such as plastic bottles, cardboard and other can be turned into useful products.
- Student presented their ideas on renewable energy

Industrial Visit-ACC Ready mix plant

Event Name : Industrial Visit-ACC Ready mix plant.
Venue : ACC Ready mix plant, Kumbalagodu, Bengaluru.
Date & Time : 7th Dec 2023 & Timings : 09.00 P.M. to 01.00 P.M.
Place visited : ACC Ready mix plant, Kumbalagodu, Bengaluru,
Batch : III and IV Year students
Organization : ACC, Ready mix plant.

Summary of the event:

The motto of Industrial Visit to ACC Ready mix plant is to provide opportunity for the civil engineering students to know about the civil engineering industry on field. They experience the infrastructure, working process, day to day activity and different roles of a civil engineers. The experienced the importance of civil industry to the development of country. The students learnt quality process they have conducted during the execution of work. Dr.R.Balakrishna, Principal, Dr,J,Amutharaj, HOD & Vice Principal, Dr.K.Aravinthan, Professor and HoD – Civil inaugurated visit and given instructions to be followed during the visit.

Students have given the feedback to organize such industrial visit to get more exposure to know the civil engineering field.

This industrial visit was organized by Department of Civil Engineering Dr.K.Aravinthan, Professor and HoD Mrs M.C.M.Malarvizhi, Mr.Kamalakara, Mrs. M.P.M. Kavya Asst. Professors, Ms Saradha, Lab technician of Civil Department engaged during this event.

Information collected during the visit at

M/s Bharath Arts and Crafts, Channapatna, Ramnagara (Dt) by students

- As we all know channapattana is famous for manufacturing toys that are made up of wood.
- We first visited the toys store in channapattana and learn about the various handmade manufacturing procedures for making wooden toys and purchased a few toys.
- All toys were very catchy and felt like buying everything in the store.
- When we discussed with the working staff there in the toy store, they gave the information about the various types of wood and the making procedure of wooden toys.
- All the toys were made in different kinds of woods like neem, alemara and rosewood and many more.
- Another wood , they import it from 50 km away from channapattana which is a very unique tree.
- The toys or products manufactured were not only playing kits for children but also key chains, home décor items, kitchen set items, bangles, showcase dolls, and also education-related toys or playing boards were also there.
- The colors that they apply to the toys are natural colors from turmeric and many more.
- Then, we visited channapattana arts and handicrafts industry.
- In industry, they bring the raw materials different types of wood and start to manufacture different types of shapes for desired products.
- There the machine used to give finishing to the product or surface finishing was by using salt paper and keeping the workpiece to be smoothed in the belt driven mechanism.
- The belt keeps rotating at a speed (rpm) where the workpiece is kept to rotate, the worker starts to give surface finishing to the object by rubbing it to it's surface using salt paper.
- And giving color to the object is of the same procedure, for that process they use natural colors like an ancient leaf called taalegari which gives green color.
- And finally giving it a finishing touch the process completes and the product is ready to sell.
- There we saw a CNC machine giving a design for a butterfly product.
- There we asked the operator how this works.
- The person explained that the remote showing x-axis is the axial line moving in x or horizontal direction, y in vertical direction and z-axis is for how much depth it goes inside the wood.
- They use the software called Corel Draw and design the product and copy it to a pen drive and plug it to the remote and then the operation is carried out.

Dear Madam,

Thank you for reaching out. We appreciate your interest in an industrial visit to our factory. We acknowledge your request for Wednesday, 13th December 2023, from 10.30 am to 1 pm. We confirmed it the same. Your commitment to providing valuable experiences to students aligns with our mission, and we look forward to the possibility of hosting your group. 100/ student we will charge towards tour fee.

Best regards,
Suhel

Dear Madam,

Thank you for reaching out. We appreciate your interest in an industrial visit to our factory. We acknowledge your request for Wednesday, 13th December 2023, from 10.30 am to 1 pm. We confirmed it the same. Your commitment to providing valuable experiences to students aligns with our mission, and we look forward to the possibility of hosting your group. 100/ student we will charge towards tour fee.

Best regards,
Suhel

Sir / Madam,

Sub: Permission to visit U R Rao Satellite Centre – Reg.

We are in receipt of your email letter dated Aug 30, 2023 requesting permission to visit URSC. Accordingly, you are permitted to visit on the **following date and time.**

06-12-2023	11:00 AM to 12:00 PM
-------------------	-----------------------------

Please provide details of your team members and faculty members along with an authorization letter from Head of the department restricted to **65** members per batch only, subject to the following conditions

Your team may report to URSC Reception Counter of Centre 15 minutes in advance in order to complete the administrative formalities for issuing entry passes.

1. You are requested to strictly adhere to the time schedule mentioned above.
2. In case of any exigencies, we may cancel the above visit without any intimation.
3. Carrying Camera and taking photography inside this Centre is strictly prohibited.
4. Mobile phones and electronic gadgets are not allowed to be taken inside.
5. The visitors should declare items to be carried if any and seek permission, while entering this Center to the security personnel for checking.
6. No foreign nationals are allowed.
7. No Family members will be allowed inside this centre.
8. After the visit Acknowledgement letter will not be issued from the Organization.
9. Please note, all Students/Faculty shall strictly follow Covid Appropriate Behavior inside URSC Premises, including Wearing of Face Mask. Entry is not permitted without mask.

Please note that our office is located on Old HAL Airport Road, Bangalore-560 017 next to National Aerospace Laboratories (NAL). You can contact our Reception on 080-25084469 & 25084470.

The professor accompanying the Students may kindly contact the Reception Counter of this Centre to complete the administrative formalities and for issue of Entry pass in time. Kindly acknowledge the receipt of this letter.

Principals Yours faithfully

Report on Industrial Visit to ISRO

We are thankful to Group Director, Programme, Planning & Evaluation Group and U R RAO Satellite Centre for giving opportunity to our students for visiting their esteemed campus. We extend our gratitude to Management, Principal of RRCE for supporting us in conducting such learning activities.

Details of Members Visited:

Date Of Visit	Semester	No. Of Students	No. of Faculty Members	Timing
06-12-2023	3	58	3	Entry: 11.00 A.M. Exit : 12.00 Noon
Total no. of visitors = 58 + 3 = 61				

On 6th December, 2023, Wednesday, MCA 3rd Semester students along with the faculty members left the College campus by bus at 09:30 am. It reached ISAC campus on Old Airport Road at around 11:30 am. After finishing reception formalities, everyone was given a pass and entered the ISAC exhibition hall.

Students got the Exposure on:

- Satellite Assembly in the clean room
- Different kind of Satellites
- Antennas
- Launch Vehicle Models
- Various Subsystems of Rockets and Spacecraft
- Museum
- Video on Chandrayaan Launch
- History of Indian Space Programme

#14, Ramohalli Cross, Kumbalgodu, Mysore Road, Bengaluru - 560074

Department of Master of Computer Applications

In the visit, students had a visual exposure about different kinds of satellites and various parts. During the visit the UR Rao Satellite Centre Faculty has given the demonstration about Satellite subsystems, Antennas, Launch Vehicles, On board systems, Propellant Tanks and Satellite Assembly in clean room. The students were expressed that this program was highly useful to them to understand the journey of Indian Space Programme and as well as to gain the knowledge on Satellite sub-systems. The visit finished by 01.30pm after taking the opinion and feedback from students.

- After returning the passes, we boarded the bus at 1:30 pm. The bus reached campus at around 4:00 pm. No photographs were taken as photography was strictly not allowed inside UR Rao Satellite Centre.

Innovation and Creativity Expo 2023 on "Innovative Product from Waste"

Type of Event : Innovation and Creativity Expo 2023 on "Innovative Products from Waste"

Title of The Event : From Waste to Product Development

Date : 8.9.2023 Timing : 1.00 P.M. - 4.00 P.M.

Venue: MBA Class Room

Target Participants : 1st year MBA students

Number of Students participated : 60 M.B.A. First year students

Number of Faculty members involved : 7 staff member

Outcome of the Program:

- It has helps to improve our knowledge by using waste how to develop an innovative product.
- It helps to conversion of waste into a best product.
- It helps to bring creative ideas in students and it converts into innovation.
- It helps students to maintain environment clean and hygienic.
- It helps students to know reduce, reuse and recycle of the product.
- With some imagination items such as plastic bottles, cardboard and other can returned into something useful.

Organizing Committee:

Report on Industrial visit for 7th Sem Students

Date: 26/12/23

Venue: VIHAAN TECHNOLOGY

Addressed by: MANUSUDHNA B S
M Tech [Ph.D.]-Gold Medalist in AI

About Vihaan Technology:

ADVI GROUP of Companies with diversification in ventures with nearly one decades of experience in managing the systems and workings of global enterprises, we expertly steer our clients through their digital journey. We also empower the business with agile digital at scale to deliver unprecedented levels of performance and customer delight. Our always-on learning agenda drives their continuous improvement through building and transferring digital skills, expertise, and ideas from our innovation ecosystem with. It is about who we are. It is our character. It is reflected consistently in all our behavior. The Spirit is deeply rooted in the unchanging essence of ADVI. But it also embraces what we must aspire to be. It is the indivisible synthesis of the four values A-ADWITEYA, -DECISIVE, V-VIHAAN, I-IMBUE. The Spirit is a beacon. It is what gives us direction and a clear sense of purpose.

It energizes us and is the touchstone for all that we do in the domain of Electronic Design Services (EDS) for VLSI/EMBEDDED Systems, CONSTRUCTIONS and Society Based Services. On IT-SERVICES solutions lend customers in the IT and Engineering R&D businesses, the competitive advantage to stay relevant in the market and achieve business objectives consistently delivering a wide variety of end-to-end services, including design, development, & testing for customers around the world. Our engineers have expertise across a wide range of technologies, to the engineering efforts of our clients.

About the speaker:

MANUSUDHNA B S, M Tech (Ph.D.), LL.B - Gold Medalist in AI

The founder of ADVI GROUP of Companies is

Mr.B.S.Manusudhan, M Tech (Ph.D.), LL.B dynamic Entrepreneur in the field of designing products had worked with CIL R&D Division- SAP Division, Radio Frequency & Wireless Antenna Design VTO R&D Wing, Aavishkar Research Cell. With the vision to develop the employability and entrepreneurship skill in today's young generation that Helps to overcome the unemployment threats. Transferring manual functions to computerized systems is there vision of life, with this vision they established VS Technology in 2010. VS Technology is supported by strong dynamic Team.

Objectives:

The main objective is to motivate to work on live projects

The following mentioned titles are discussed by the guest speaker which are:

- Hardware hands-on project
 - Software testing projects
 - Antenna based projects
 - Career guidance
- a. The session was extended with some discussion from the students
 - b. Along with that he showed various designs of hardware model and he has explained each and every models with demo

Outcomes:

Students gain benefits of real time projects and knowledge about current trending tools.

Total Number of participants: 1 faculty + 44 students

Programme Schedule

Date:05-07-2024

1. Type Event : **1st Technical Symposium- KRITAAYU 2024**
2. Chief Guest : **Prof. Prabhakar A**
Master of Science, USA
Venue: Arybhata Seminar Hall

Time	Agenda	Role
09.30 a.m. – 10.00 a.m.	The arrival of the Chief Guest, Principal, Dean, HOD's Faculty members, and Students	-
10.00 a.m. – 10.10 a.m.	Prayer Song	Ms. Spoorthi, 4 th Sem RA
10.10 a.m.- 10.20 a.m.	Lighting up the lamp	Chief guest, Principal, HoD's and all
10.20 a.m. – 10.25 a.m.	Welcome address	Dr. Karthikeyan M, HOD-RA
10.25 a.m. -10.30 a.m.	Presidential Address	Dr. R. Balakrishna Principal
10.30 a.m. – 10.35 a.m.	Address by Vice Principal	Dr. Amutharaj J
10.35 a.m. – 10.40 a.m.	Address by HOD ME	Dr. Ramesh C
10.40 a.m. – 10.42 a.m.	Introduction of Chief Guest	Mr. Suhas Vashista 6 th Sem RA
10.45 a.m. – 10.50 a.m.	Honoring the Chief Guest	Principal, HOD's and Faculty Coordinator
10.50 a.m. – 12.00 p.m	Speech by Chief Guest	Prof. Prabhakar A Master of Science, USA
12.00 p.m.	Vote of Thanks	Mr. Haroon Khan
12.10 onwards	Technical Events Program Flow

Report on Mini Project Expo-24

NAME OF THE DEPARTMENT: Department of Computer Science & Engineering

1. Type of Event : Exhibition
2. Resource Person : Mrs. Vindhya D S,
IT Analyst
Tata Consultancy Services
4. Date of the Event : 29th February 2024
5. Faculty Coordinators: Sunil.A.,
Assistant Professor
Department of CSE
RajaRajeswari College of Engineering,
Bengaluru 560074
6. Students attended: 5th Semester of Computer Science & Engineering
7. Venue: CSE department Lobby
8. Outcome of the programme:
 - Students demonstrated the mini projects developed using IOT and gained knowledge on project development and project presentation. This helps students to acquire knowledge to convince the crowd technically.
 - Inter department students visited the exhibition and gained knowledge on IOT projects and learnt about various types of sensors used for project development.

Observation report of the students

Mr. Shivaprasad(1RR21CS150) and Ms. Ruchira (1RR21CS130)

- Exposure towards various sensors.
- Enhanced the presentation skill.
- Inter department communication.

Conclusion:

- Project Exhibitions can help the students showcase their excellence in project development.
- Inter department communication helps students to understand the requirements of other domains.
- Exhibitions can help the students to face the crowd and to convince.

The best thing you can do for yourself is to take it easy-Graduation is just another stepping stone in life. By graduating you have accomplished a lot more than many others managed to achieve by the time they were your age.

Take your time and explore your options- there is an endless plenty of possibilities in front of you when it comes to career development.

INNOVATIVE TECHNO PROJECT EXPO - 2K24

1. Type of Event : **Innovative Techno Project Expo - 2K24**
2. Event Name : **“Innovative Project Exhibition”**
3. Date of the Event : **26th July 2024 (Friday) Timing : 9.00 A.M. to 4.00 P.M.**
4. Event Coordinator (s) :
 1. Prof. Kiruthika K, AP - EEE
 2. Prof. Prutha. G, AP - EEE
5. Objectives
 - Showcase innovative projects and models by students.
 - Provide a platform for students to demonstrate their technical skills.
 - Encourage collaboration and idea exchange among participants.
 - Recognize and reward outstanding projects.
 - Display of various innovative projects from different engineering disciplines.
6. Outcome of the Event:
 - To provide the opportunity to the students of EEE Dept. to exhibit their technical knowledge and skills to present their ideas and innovative applications to the experts and get suggestions to make it as a commercially viable product useful to the society.
7. Target participants: 45 students of 3rd year Electrical and Electronics Engineering

Parents Teachers Meeting Report

A Parent-Teachers Meeting was conducted on 22-09-2023 from 10:00 AM – 12.00 Noon in the Department of MCA, RRCE.

The parents were intimated through the student official groups well in advance through class teachers and mentors.

- 15 parents are attended this meeting.
- Interaction between Parents, Class Teachers, Subject Teachers and Mentors was done. There was a discussion on student's performance in individual subjects, students discipline in classrooms and their attendance percentage.
- Mr. Sujeeth Pawar and Mr. Pavankumar B K parents were happy with the way the department was conducting academically.
- One parent also enquired what kind of placement arrangements are done for their ward.
- The Class Incharge Mr. Shreedhar Kumbhar, Dept of MCA discussed in detail about the Previous Results, Academic Calendar, Internal marks and their last working day.
- He also stressed that if parents and students had any difficulty, they can contact the faculty and the Department anytime.

Innovative Project Expo 2024

Event Name : Innovative Project Expo – 2024.

Venue : 6th Floor Lobby, RRCE.

Date & Time : 9th May 2024 & Timings : 11.00 P.M. to 01.00 P.M.

Chief Guest :

Dr.Karisiddappa, Former Vice Chancellor, VTU, Belagavi
Advisor, RRG, Bengaluru

Batch : III and IV Year students of Civil Engineering

Summary of the event :

The Innovative Project Expo – 2024 is inaugurated by the Chief Guest Dr.Karisiddappa, Advisor, RRG & Former Vice Chancellor, VTU, Belagavi

The following guests visited the expo and interacted with the student teams.

1. Dr.R.Balakrishna, Principal.
2. Dr,J,Amutharaj, HOD - ISE & Vice Principal & President - RRIIC
3. Dr.M.Karthikeyan, Professor and HoD - R&A,
4. Dr.K.S..Rajesh, Professor and HoD, AIML

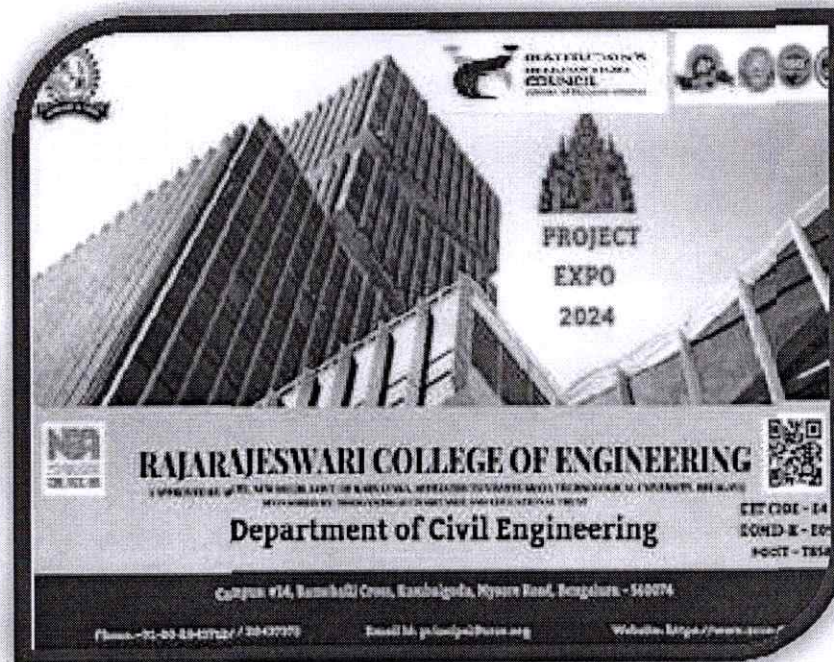

Outcome :

This platform was used by students to exhibit their creativity and innovation. Around 9 Projects were kept for this exhibition.

Students have given the feedback to organize such exhibition to get more exposure to the society and fellow student community.

This expo was organized by Dr.K.Aravinthan, Professor and HoD – Civil, Mrs M.C.M.Malarvizhi, Mr.Kamalakara, Mrs. M.P.M. Kavya Asst. Professors of Civil Department.

Report of the World Intellectual Property Day Celebrations

IPR Day celebration "Workshop on E-Patent Filing"

Date of the programme : 28.5.2024 Tuesday Timing : 8.30 A.M. to 3.30 P.M.

Resource Person:

Dr. K. Aravinthan M.E (Str. Engg.), PhD, Inventor

Professor and HoD, Civil Engineering

MoE Certified Innovation Ambassador

Rajarajeswari College of Engineering, Bengaluru - 560074

Faculty Co Ordinators:

Dr.M.Karthikeyan,

Professor and Head & Advisor - RRIIC

Department of Robotics and Automation

RajaRajeswari College of Engineering

Number of Students attended : 45 students of 2nd Semester B.E. (Robotics and Automation Engineering)

Programme Objectives:

- To sensitize students on Patents and IPRs
- To make the students to understand the need for Intellectual Property Rights(IPRs)
- To give an introduction about Copyright Protection and Trademarks etc..
- To give an awareness on "How to file a patent and steps by step procedure to file an INDIAN Patent and International Patents.

Program outcomes:

- ✓ Students were sensitized on IPR Protection, importance and advantages of IPR and Patent filing and granting of patents.
- ✓ Students were given information on Copyright protection and Trademark to run the start up and business with security and protection
- ✓ Students were given step by step procedure to file a patent and IPRs with INDIAN patent office and International Patent office.

Organizing Committee :

Dr.R.Balakrishna, Principal

Dr.J. Amutharaj, President – RRIIC

Institution Innovation Day 2023 Celebrations

Information Science and Engineering, RRIIC & CSI Chapter of RRCE

1. Type of Event : Dr. A.P.J. Abdul Kalam Endowment Lecture on "Innovative Idea to Start up"
2. Date of the programme : 18th October 2023 Time: 9.30 A.M. – 11.30 A.M.
3. Venue : Aryabhatta Seminar Hall, First Floor, RRCE
4. Resource Person :

Dr.K.Aravithan, M.E., Ph.D,
MoE Certificated Innovation Ambassador,
Associate Professor and Head, Civil Engineering,
RajaRajeswari College of Engineering, Bangalore.

4. Number of students attended: 63 Students of First year ISE

5. Outcome of the programme :

Students gained information about the following:

1. Gain the knowledge about national level start up India mission and Idea bank.
2. Gain knowledge about up Innovation and Societal needs and requirements.
3. Gain the knowledge about building startup and Innovative problem solving skills for IT Professionals to solve societal problems.
4. How to build a successful Start up company.
5. Opportunities to achieve in Entrepreneurship by establishing a start up.
6. Gain knowledge to improve communication skills.

Report of Participation in BUILD for Web3 Summit & Job Fair at The Den, Bengaluru, ITPL Main Rd, Whitefield, KIADB Export Promotion Industrial Area, Krishnarajapura, Bengaluru held on 4th December 2023 (Monday) by 7th sem ISE Students.

- Title of the event :** Web3 Job Start up Summit & Job fair by Start ups
- Type of the event:** Participation in “BUILD for Web3 Summit“& Job Fair
- Event schedule:** 04-12-2023 10.00 A.M to 6.30 P.M.
- Venue:** The Den Bengaluru , ITPL Main Rd, Whitefield
- Target Participants:** 43 students of 4th year Information Science and Engineering Dept.
- Faculty coordinators:**
 - Ms .Sinchana M.N, Asst. Professor - ISE
 - Mrs. Pavithra N, Asst. Professor - ISE
- Outcome of the program:**
 - The Build for Web3 Start up Summit, Pitching Ideas & Job Fair was inaugurated by Sandeep Nailwal.
 - Students are given awareness on upcoming Startup ideas based on blockchain technology.
 - Students gathered knowledge on Bitcoin and Cryptocurrency.
 - The students gain knowledge about Block Chain Technology, Cryptocurrency, Bitcoin, Restaking, Modularity and the raise of data availability layers.
 - Sensitization on tackling rollup decentralization, Re-imagining web3 developer onboarding.
 - Gain knowledge about unlocking human potential via permissionless work, coordination and impact.
 - Students gathered knowledge about making a case for integrated blockchains, use AI to build composable web3 apps.
 - Knowledge about social beyond speculationketan jog and light nodes.
 - Great exposure to Startup pitching and attended job fair by start ups.

INDUSTRIAL VISIT FEEDBACK FORM

NAME OF THE DEPARTMENT: INFORMATION SCIENCE & ENGINEERING

PLACE OF VISIT: Web 3 Start up Summit at The Den, White Field, Bengaluru

CLASS : 7th Semester

STUDENT NAME : THANUSH.P

ID.NO: 1RR20IS043

FEEDBACK:

1. **Purpose of Visit :** Participation in Start up Summit and Job Fair
2. **Usefulness :** Gain exposure to Block Chain Technology and its applications
3. **Practical Utility :** Tech Games Conducted by companies and brain storming to understand different new technologies and their applications.
4. **Overall Feedback :** Good exposure on Block Chain Technology & gathering knowledge on applications of Block Chain Technology
5. **Suggestions :** more such opportunities to be given to the students to gather knowledge on latest technological developments
