

CRITERIA – 7.1

AY 2023-24

Criterion: 7.1 Institution Values and Social Responsibilities.

7.1.1: Measures initiated by the Institution for the promotion of gender equity during the last five years.

- **Specific facilities provided for women in terms of:**

a) Safety and Security

The institution prioritizes the safety and security of women above all else. Presently, the Government has implemented various initiatives to safeguard women and girls, given the increasing incidence of crimes against them. Maintaining a secure and supportive campus community poses a significant challenge for both the institute administrators and students. To address this, the institute offers a comprehensive array of security facilities specifically designed for the well-being of female students within the campus, overseen by a dedicated team of security personnel. Many of the outstation students, enrolling in various courses, leave their homes and hometowns for the first time in their lives. The institution not only ensures their comfort but also takes the responsibility for the safety of girls residing in the hostel, ensuring a secure environment within the campus. Recognizing that safety and security are pivotal factors in the enrollment of students, the institution has implemented the following measures to ensure the safety of female students.

- CCTV Camera:** The institutional campus maintains 24/7 CCTV surveillance, enabling continuous monitoring to prevent any antisocial activities. Both students and employees remain highly vigilant due to the ongoing surveillance. The presence of CCTV cameras not only facilitates the maintenance of discipline but also ensures the security of the students. In the event of any incidents of Ragging, these CCTV cameras serve as a vital tool for prompt action, thereby upholding discipline on the campus. The institution has installed a total of 126 CCTV cameras, covering both the Boy's and Girl's hostels, providing comprehensive care for the students in all aspects.

CRITERIA – 7.1

AY 2023-24

Photo.1: CCTV Camera in the institution at reception

Photo.2: CCTV surveillance inside college corridor

- ii) **Visitor Register:** To ensure a safe and secure campus environment, the institution maintains a visitor log register at the entrance. This register meticulously records visitor details, including their name, date of visit, purpose, address, the person being visited, contact information, as well as the visitor's time of entry and exit, all of which require the visitor's signature.

CRITERIA – 7.1

AY 2023-24

Photo.3: Visitor registration at the entrance

Photo.4: Restricted entry and exit at the college entrance

Photo.5: Female guard at women's hostel

- iii) **Restricted entry and exit at the entrance of the college:** To prevent unauthorized entry, the institution strictly enforces restricted timings at the entrance. Security guards are present and available 24/7, tasked with monitoring student entry and exit.
- iv) **Female Guards:** To ensure the safety and security within the premises of the girls' hostel, the institution has appointed female guards, emphasizing strict adherence to their duties.
- v) **Female Warden:** In the girls' hostel, a female residential warden is designated to safeguard the well-being of female students. The warden ensures the security of the residents, and the cleaning staff exclusively comprises females. Access to the girls' hostel premises is restricted to females only; no males are permitted. Visitors are allowed by the warden but require prior permission and must adhere to specific time slots.

Photo.6: Female warden in women's hostel

- vi) **In/Outing entry system in the Hostel:** The hostels have a mandatory In/Out register, which students must consistently maintain. Those intending to leave for their homes must make appropriate entries in the register, and the warden seeks parental consent regarding their departure and expected return times. Upon returning, students are required to record the actual time of their return in the same register. Students are strictly prohibited from leaving the hostel premises for any reason without the specific and prior approval of the warden, and they must make proper entries in the register accordingly.

CRITERIA – 7.1

AY 2023-24

- xii) **Signboards:** To educate and raise awareness among students regarding sexual harassment and its consequences, the institution has strategically placed warning signboards on every floor of the campus.

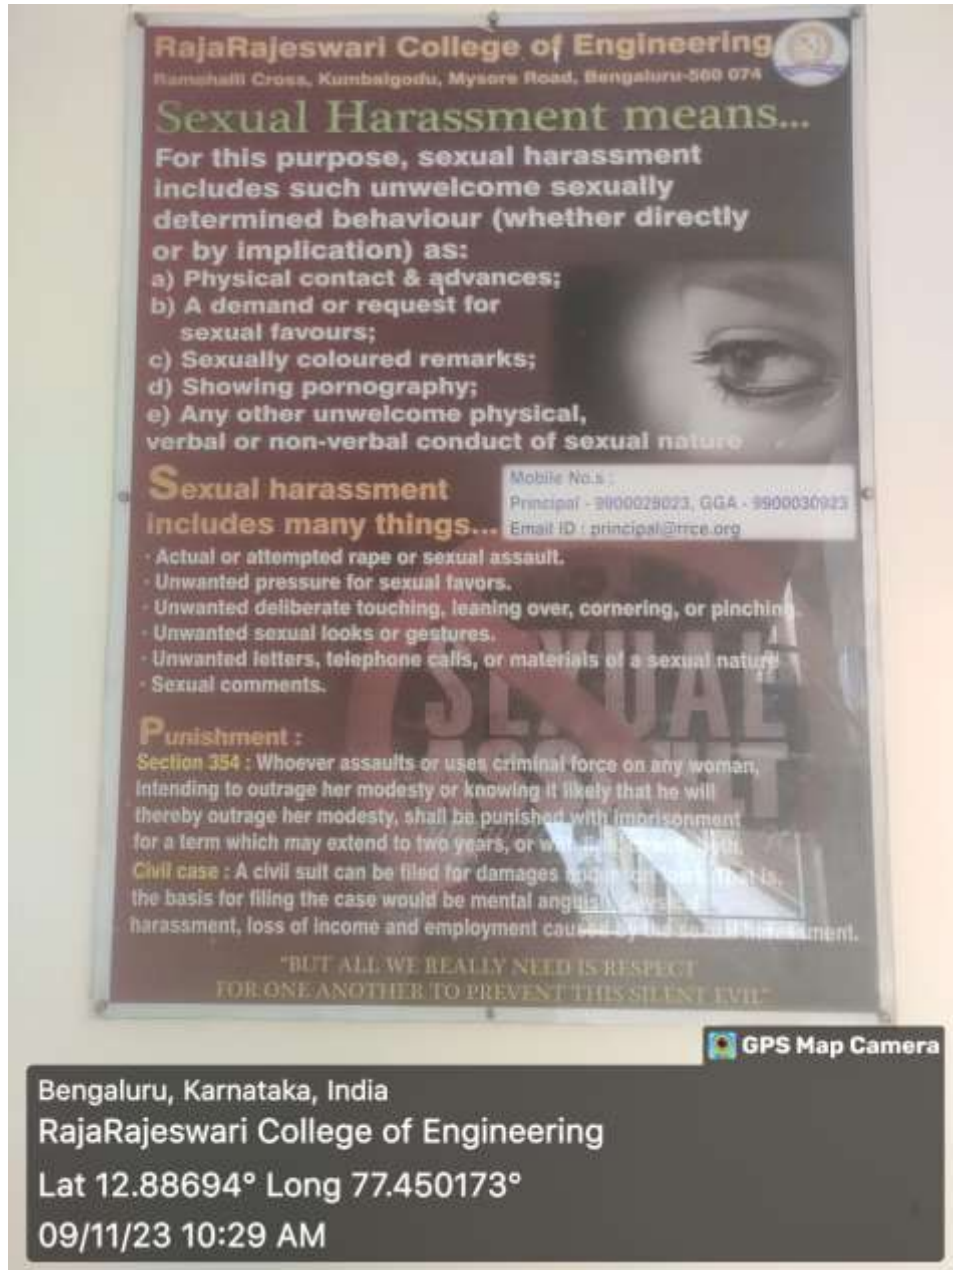

Photo.15: Signboard about sexual harassment

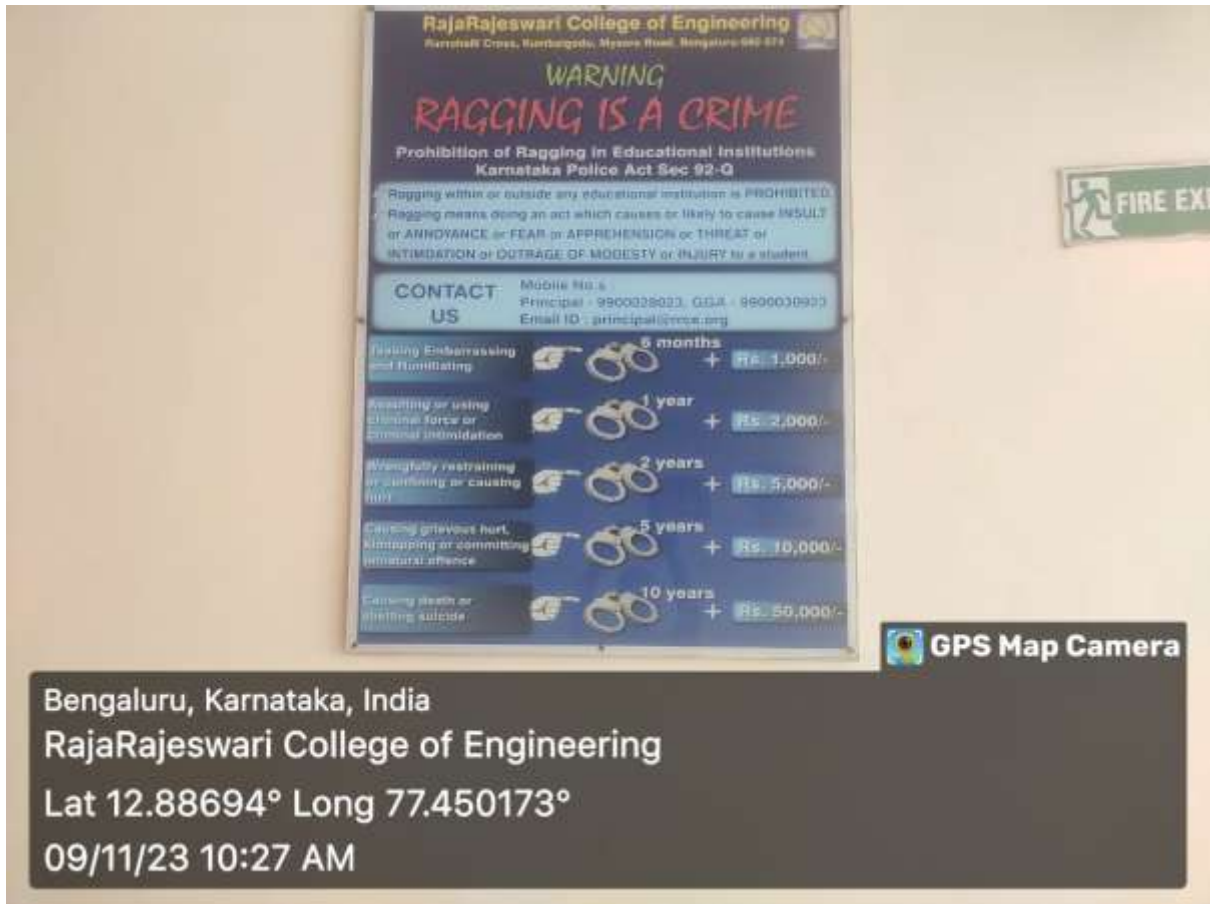

Photo.16: Warning Signboard about ragging

b. Counseling

Faculty members are assigned the responsibility of mentoring group of students. Each faculty member oversees the progress of 24–30 students throughout their study period through continuous interaction. Students receive guidance on academic matters as well as any other issues within the institution's campus. The Women Empowerment Cell in the institution plays a dynamic role in fostering a supportive environment for women. This cell actively organizes a range of events, including celebrations for International Women's Day, awareness programs, and initiatives designed to motivate and guide female students. Through these activities, the Women Empowerment Cell strives to empower women by providing them with the necessary tools, knowledge, and encouragement to pursue and achieve their goals in their chosen careers. The cell serves as a platform for women to connect, share experiences, and access resources that contribute to their personal and professional development, promoting a culture of equality and empowerment within the institution.

Photo.17: Counseling room

c. Common Rooms

Common rooms for both boys and girls are designated spaces within the institution that serve as communal areas for relaxation, socializing, and various recreational activities. These rooms are designed to create a comfortable and inclusive environment where students can unwind, interact with their peers, and engage in extracurricular or leisurely pursuits. These common rooms often contribute to the overall well-being of students, offering a break from academic pressures and allowing them to build social connections with their fellow students. Moreover, they play a crucial role in promoting a healthy and balanced campus life by providing an inclusive space where students can relax and recharge outside of their academic responsibilities. The institution

CRITERIA – 7.1

CRITERIA – 7.1

AY 2023-24

their responsibilities with the assurance that their children are well looked after. The day care center prioritizes the comfort and well-being of children by attending to their individual needs. The facility is equipped with a variety of play toys and primary learning settings, creating a nurturing environment for children to engage in age-appropriate activities and early learning experiences.

e. Any other relevant information

The presence of female faculty members in significant administrative and academic positions is indicative of the commitment to gender inclusivity and diversity within the institute. This demonstrates a progressive and equitable approach towards leadership roles, showcasing that the institute values the skills, expertise, and contributions of its female faculty members.

The elevation of female faculty members to higher administrative positions reflects a commitment to breaking gender stereotypes and promoting equal opportunities for professional growth. This inclusivity not only provides role models for aspiring female academics but also contributes to the overall enrichment of the academic environment through diverse perspectives and leadership styles.

The female faculty members holding higher administrative and academic positions likely play key roles in decision-making processes, policy formulation, and strategic planning within the institute. This not only empowers women within the academic community but also contributes to a more balanced and representative leadership structure.

In summary, the presence of female faculty members in prominent administrative and academic positions is a testament to the institute's dedication to fostering a gender-inclusive and diverse environment, promoting equality, and recognizing the valuable contributions of women in higher education.

Report on Caggemini Women Transformation Program Advanced C# .NET Programming (Part 2 –Database Management)

NAME OF THE DEPARTMENT: Department of Computer Science and Engineering

1. Type of Event : Caggemini Women Transformation Program
Advanced C# .NET Programming (Part 2 –Database Management)
2. Resource Person : Mohamed Abdul Kader A
Technical Product Manager, Tiger Holidays
3. Date of the Programme: 29.08.2023 to 16.09.2023
4. Faculty Co-Ordinator: Dr.D.Kirubha
Associate Professor
Department of Computer Science and Engineering
RajaRajeswari College of Engineering
Bengaluru 560074

Dr.M.Selvi
Associate Professor
Department of Computer Science and Engineering
RajaRajeswari College of Engineering
Bengaluru 560074
6. Students attended: 7th Semester of CSE Girl Students (61)
7. Outcome of the Programmme:

Students gained information about the following:

- MS SQL Server
- Web Applications using .NET
- ASP .NET and Web Programming
- Agile Fundamentals
- Understanding Multitier Architecture
- MVC Life Cycle
- Dependency Injection and Creating Services
- Implementing CRUD Operations
- Action and Action Results
- Data Passing Techniques
- Building Logics
- Mapping Data
- Working with Razor and Bootstrap
- Understating WebAPI
- Implementing Filters
- DotNet and IIS
- REST Services

Summary

An enthusiastic and highly motivated individual with nearly 11 years of experience in the design and development of enterprise grade products. Pioneered the development of many next-generation applications for various clients ranging from leading FMCG, Retail, Banking, and E-Commerce.

A rapid learner who can able to learn and comfortable to adopt new technologies quickly. Extensively worked on Android, IOS, Java and C# .Net platforms.

I have extensive experience in developing enterprise production level Mobile Applications(Android, iOS, Xamarin, Flutter), Web development, Java application development and maintenance and UI/UX development. I was improving myself continuously in solving complex algorithms and data structures. I guide the development team in delivering high-quality software and analytic solution in a cost-effective and efficient manner.

Expertise in handling Strong Customer Authentication(SCA), Security, Scaling, Code management and Code obfuscation.

Done R&D in Artificial Intelligence and Blockchain.

Exposure to Cloud computing services and Build tools.

Experience in designing intuitive UI and UX using design tools like Adobe XD and Figma.

I am improving myself continuously in solving complex algorithms and data structures. I guide the development team in delivering high-quality software and solution in a cost effective and efficient manner.

Proficient in programming languages like Java, Kotlin, Swift, C, C++, PHP and data interchange formats like XML and JSON.

Good sense in customising complex UI using various layouts and also specialised in enabling features like maps, Web services and media libraries.

Successfully completed R&D on accessing mobile applications in the Smartphone using voice commands for ford SYNC® AppLink™.

Extensively worked on peripherals like Printers, Camera, GPS, Bluetooth, NFC and Beacons etc.

Solid understanding and practice in TOGAF architecture (not certified).

Ability to understand business requirements and translate them into technical requirements

Having good analytical, debugging and problem solving skills.

Successfully crafted and delivered many high quality small, medium and enterprise level mobile applications from scratch to Live.

I have trained more the 400+ professionals of various experiences across the country.

I have trained more the 600+ students from various colleges across the country.

Open to challenges and opportunities.

Experience

Technical Product Manager

Tiger Holidays

Apr 2022 - Present (1 year)

As a Technical Product Manager at Tiger Holidays, my main responsibilities would be to oversee the development and management of the company's technology products. This would include working closely with cross-functional teams to gather requirements, develop product roadmaps, and define product features. I would also be responsible for ensuring that the products are delivered on time, within budget, and meet quality standards.

In addition to these core responsibilities, I would also conduct market research, analyze user feedback, and monitor industry trends to ensure that our products remain competitive and relevant. I would collaborate with engineers and developers to translate technical requirements into user-friendly product features, and communicate effectively with technical and non-technical stakeholders.

To be successful in this role, I would need to have a strong technical background, excellent project management skills, and a keen eye for detail. I would also need to be able to prioritize tasks effectively, and work well under pressure to ensure that our products are always of the highest quality.

Report on Cag Gemini Women Transformation Program Advanced C# .NET Programming (Part 3 - HTML, jQuery & XML Web Services, Part4 - JavaScript, .Net Framework & Testing)

NAME OF THE DEPARTMENT: Department of Computer Science and Engineering

1. Type of Event : Cag Gemini Women Transformation Program
Advanced C# .NET Programming
(Part 3 - HTML, jQuery & XML Web Services,
Part4 - JavaScript, .Net Framework & Testing)
2. Resource Person : Mohamed Abdul Kader A
Technical Product Manager, Tiger Holidays
3. Date of the Programme: 03.10.2023 to 18.10.2023 & 15.11.2023 – 29.11.2023
4. Faculty Co-Ordinator : Dr.D.Kirubha
Associate Professor
Department of Computer Science and Engineering
RajaRajeswari College of Engineering
Bengaluru 560074

Dr.M.Selvi
Associate Professor
Department of Computer Science and Engineering
RajaRajeswari College of Engineering
Bengaluru 560074
6. Students attended: 7th Semester of CSE Girl Students (61)

7. Outcome of the Programmme:

Students gained information about the following:

Part 3 - HTML, jQuery & XML Web Services

- HTML 5
- CSS 3
- HTML 5 advanced
- Interactive Bootstrap Basics
- Interactive jQuery basics
- XML Web Services

Part4 - JavaScript, .Net Framework & Testing

- JavaScript Basics
- JavaScript Objects
- JavaScript Advanced
- .NET Framework
- AJAX – Technologies
- Testing Methodologist

Summary

An enthusiastic and highly motivated individual with nearly 11 years of experience in the design and development of enterprise grade products. Pioneered the development of many next-generation applications for various clients ranging from leading FMCG, Retail, Banking, and E-Commerce.

A rapid learner who can able to learn and comfortable to adopt new technologies quickly. Extensively worked on Android, IOS, Java and C# .Net platforms.

I have extensive experience in developing enterprise production level Mobile Applications(Android, iOS, Xamarin, Flutter), Web development, Java application development and maintenance and UI/UX development. I was improving myself continuously in solving complex algorithms and data structures. I guide the development team in delivering high-quality software and analytic solution in a cost-effective and efficient manner.

Expertise in handling Strong Customer Authentication(SCA), Security, Scaling, Code management and Code obfuscation.

Done R&D in Artificial Intelligence and Blockchain.

Exposure to Cloud computing services and Build tools.

Experience in designing intuitive UI and UX using design tools like Adobe XD and Figma.

I am improving myself continuously in solving complex algorithms and data structures. I guide the development team in delivering high-quality software and solution in a cost effective and efficient manner.

Proficient in programming languages like Java, Kotlin, Swift, C, C++, PHP and data interchange formats like XML and JSON.

Good sense in customising complex UI using various layouts and also specialised in enabling features like maps, Web services and media libraries.

Successfully completed R&D on accessing mobile applications in the Smartphone using voice commands for ford SYNC® AppLink™.

Extensively worked on peripherals like Printers, Camera, GPS, Bluetooth, NFC and Beacons etc.

Solid understanding and practice in TOGAF architecture (not certified).

Ability to understand business requirements and translate them into technical requirements

Having good analytical, debugging and problem solving skills.

Successfully crafted and delivered many high quality small, medium and enterprise level mobile applications from scratch to Live.

I have trained more the 400+ professionals of various experiences across the country.

I have trained more the 600+ students from various colleges across the country.

Open to challenges and opportunities.

Experience

Technical Product Manager

Tiger Holidays

Apr 2022 - Present (1 year)

As a Technical Product Manager at Tiger Holidays, my main responsibilities would be to oversee the development and management of the company's technology products. This would include working closely with cross-functional teams to gather requirements, develop product roadmaps, and define product features. I would also be responsible for ensuring that the products are delivered on time, within budget, and meet quality standards.

In addition to these core responsibilities, I would also conduct market research, analyze user feedback, and monitor industry trends to ensure that our products remain competitive and relevant. I would collaborate with engineers and developers to translate technical requirements into user-friendly product features, and communicate effectively with technical and non-technical stakeholders.

To be successful in this role, I would need to have a strong technical background, excellent project management skills, and a keen eye for detail. I would also need to be able to prioritize tasks effectively, and work well under pressure to ensure that our products are always of the highest quality.

Technical Trainer - Web and Mobile Apps(ANDROID/IOS/JAVA/HTML/CSS/JS/PHP)

MiiMfi Technologies

Apr 2022 - Present (1 year)

Senior Technical Trainer

Edureka

Jan 2021 - Present (2 years 3 months)

Lead Engineer

GAVS Technologies

May 2021 - May 2022 (1 year 1 month)

Lead Engineer working in Healthcare domain, serving for HealthFirst one of the biggest healthcare service provider in New York. Responsible for maintenance and bug fixing of the HealthFirst iOS/

RajaRajeswari College of Engineering

(Approved by AICTE, New Delhi, Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi)

#14, Ramohalli Cross, Kumbalgodu, Mysore Road, Bengaluru - 560074

Department of Computer Science and Engineering

Android mobile applications. Specialized in Mulesoft, AWS(Cloud watch, X-Ray, DynamoDB), Firebase, Crashlytics, Splunk etc.

Senior Engineer

GAVS Technologies

Jun 2018 - May 2021 (3 years)

GAVel is an next generation AIOps platform that uses, machine learning algorithms to predict and auto resolve incidents in IT Operations.

Tech Lead - Mobile Application Development

Vertisize Solutions

Sep 2017 - Jun 2018 (10 months)

Senior Software Engineer

Axiom xCell, Inc.

Jan 2016 - Jul 2017 (1 year 7 months)

Project Engineer

Wipro

May 2012 - Jan 2016 (3 years 9 months)

Education

Kongu Engineering College

Master of Computer Applications - MCA, Computer Science
2009 - 2012

Syed Hameetha Arts and Science College, Kilakarai

B.Sc - Information Technology, Information Technology
Jul 2006 - May 2009

Licenses & Certifications

 Learning Kotlin for Android Development - LinkedIn

 .NET MAUI First Look - LinkedIn

Skills

Android Development • iOS Development • Technical Training • Spring Boot • Mobile Application Development • Web Application Development • Full-Stack Development • Customer Relationship Management (CRM) • Product Management • Product Development

Part 3 - HTML, jQuery & XML Web Services Course Content

S.No	Module	Topic	Sub Topic	Methodology	Duration	Training Date	Trainer Signature
5	HTML	Part 3: HTML, jQuery & XML Web Services (80 hrs with 2 Formative Assessments)	Interactive HTML 5 - Tools to create HTML files	Lecture, Hands on	1	18-10-2023	A. M. H. H. N.
			Introduction HTML Tags	Lecture, Hands on	1		
			Base HTML Tags	Lecture, Hands on	1		
			Paragraph Tags, Break Tags, Header Tags	Lecture, Hands on	1		
			Bold & Italic Tags, Ordered & Unordered Lists	Lecture, Hands on	1		
			Interactive CSS 3 - CSS Introduction, Benefits	Lecture, Hands on	1		
			Inclusion In HTML Documents, Inline Stylesheets	Lecture, Hands on	1		
			Embedded Style Sheets	Lecture, Hands on	1		
			CSS Syntax, Comments and External Style Sheets	Lecture, Hands on	1		
			Selectors using Element, id, Class, Universal, Group	Lecture, Hands on	1		
			Attribute, Pseudoclass, Pseudo element	Lecture, Hands on	1		
			Adding Color - Colors using RGB, RGBA	Lecture, Hands on	1		
			Hexadecimal, HSL, HSLA, Built-in Color	Lecture, Hands on	1		
			Background Color and Image, Repeat and Shorthand	Lecture, Hands on	1		
			Working with fonts - Font Family, style, size, weight	Lecture, Hands on	1		
Text Formatting - Color, Alignment, Decoration, Indentation, Letter and Word Spacing	Lecture, Hands on	1					
List Formatting - Unordered, Ordered	Lecture, Hands on	1					
Table Formatting - Definition, Styling, Marker Type, Tables - Border, Collapsing, Adjusting Space	Lecture, Hands on	1					
Tables - Alignment, Borders and Backgrounds	Lecture, Hands on	1					
Gradients, Text Overflow, Text Shadow	Lecture, Hands on	1					
2D and 3D transformation functions	Lecture, Hands on	1					
Transitions delay, duration, property, timing function	Lecture, Hands on	1					
Animation name, duration, delay, timing function	Lecture, Hands on	1					
Multicolumn count, fill, gap, rule, fill color, rule color	Lecture, Hands on	1					
Style and width, Box Resizing and Flexible Box	Lecture, Hands on	1					
Filters - blur, brightness, contrast, dropshadow	Lecture, Hands on	1					
Filters - Grayscale, hue-rotate, invert, opacity, sepia, saturate, url	Lecture, Hands on	1					

Part 3 Advanced C# and DOT NET Framework Session plan

College Name : RajaRajeswari College Of Engineering

Course Name : Advanced C# and DOT NET (Part 3)

Trainer Name : Mr. Mohamed Abdul Kader A

Part 3 - HTML, jQuery & XML Web Services (80 hrs with 2 Formative Assessments)

Start date : 03.10.2023

End Date : 18.10.2023

Batch id : G3266

WOMEN EMPOWERMENT COMMITTEE

Every year, March 8 is celebrated as International Women's Day. The goal is to create a gender-equal world. It is about **celebrating a woman's success and raising awareness on break the bias.**

Women are strong, powerful and invincible. With thousands of mantras encouraging women's existence every day, a special day is indeed a necessity to celebrate women's achievements in all aspects of life. Whether she's a teacher, homemaker, economist, engineer or pioneer, women have been making the world a better place with their infinite strength, determination and belief. With power enough to shatter the shackles of patriarchy, women are rising above societal hurdles every single day, making them a stronger force to reckon with, in modern times.

This year we Rajarajeswari college of engineering celebrated 'International Women's Day' on 18th March 2024 with a great significance.

This year the Chief Guest was

Dr.PremaDhanraj

Padmashree awardee, Founder and Director, Agni Raksha, Bangalore

Venue: Dr. ACS Convention Hall

Participants- All Ladies Staff of the Rajarajeswari Group of Institutions (Teaching faculty, Non Teaching Faculty, Office staff, Group-D and Students)

Dignitaries in their speech welcomed all the ladies to the special occasion of Women's day Celebration.

Dr.PremaDhanraj, Chief Guest spoke about the significance of women's day celebration and the presence of a woman which has given a strong impact in everyone's life.

Chief Guest was felicitated by Chair person, Principals, Vice Principal, Women Empowerment Chairperson of RRG.

The function followed with cultural, Games and more programs with a refreshing lunch. Function concluded with a great delight from all the women who witness the celebration.
