### 6.1 - Institutional Vision and Leadership

#### 6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution.

##### Vision

To provide an open opportunity to the young generation for evolving their core competencies helping them to build their career as Global professionals to be an Autonomous Institution by achieving excellence in the field of higher education.

##### Mission

To consistently strive for Academic Excellence to become a leading Institution in the field of Engineering, Management, and Research to produce competent and ethically sound manpower for the benefit of Industry, Society, Nation, and the Global Environment.

The institute has adopted best practices in Governance & Leadership, by way of having clear Vision & Mission statements where it is committed to impart quality education in order to empower youth and women and aims to deliver engineering education through the effective teaching-learning process and update their knowledge & skills to match the global industrial and technological development through defined objectives.

The Governing council conducts meetings regularly in order to have effective implementation of the policies to monitor the value addition in the academic processes. The governing council approves the strategic plan, vision and mission, and budget based on the strategic plan framed by IQAC cell headed by the principal of the institution.

IQAC monitors the functioning of all the committees relevant to the teaching-learning process, student enrichment, and overall development of the institution to identify areas of improvement and suggest the necessary action plan.

## Internal Quality Assurance Cell – IQAC

RajaRajeswari college of Engineering has been accredited by National Assessment & Accreditation Council (NAAC) with CGPA of 3.34 with 'A+' grade valid for a period of five years from September, 2022. In pursuance of the action plan to monitor the attainment of Vision and Mission of the Institute, the National Assessment & Accreditation Council proposes that every institution establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and works towards realizing the goals of quality enhancement and sustenance.

The prime task of the IQAC in RRCE is to develop a system for conscious, consistent and catalytic improvement in the performance of various departments in the institute. The IQAC will make a significant and meaningful contribution to channelize and systematize the efforts and measures of RRCE towards academic excellence.

### OBJECTIVES

- To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of RRCE.
- To promote RRCE measures for functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices.

### ROLES AND RESPONSIBILITIES

#### ROLES:

- Evaluates the attainment of vision and mission of the various departments and processes necessary changes for continuous improvement.
- Monitors the attainment of Vision and Mission of the Institute.
