### Report of event for Industrial Visit towards “Bharath Toys Factory”

Name of the Department: Dept. of CSE [IoT, Cybersecurity including  
Blockchain Technology]

- 1. Type of Event:** Industrial Visit towards “Bharath Toys Factory”
- 2. Venue:** Bharath Toys Factory @ Channapatna
- 3. Date & Time:** 14.11.2024, 9.30AM to 4.00PM
- 4. Staff Coordinators:** Prof. Goush Pasha and Prof. Renuka H N
- 5. Students attended:** 3<sup>rd</sup> Semester (63 students)
- 6. Outcome of the Programme:**

#### Introduction:

This report details an industrial visit to the heritage city of Channapatna, undertaken to explore the historical and cultural significance of the city's architectural landmarks, industrial legacy, and traditional craftsmanship practices, providing valuable insights into the city's evolution and its current efforts towards preserving its heritage while promoting sustainable development.

#### Objectives:

- To gain a comprehensive understanding of the city's historical context and architectural styles.
- To observe traditional crafts and industries still practiced in the heritage zone.
- Analyze the challenges and strategies employed in preserving the city's heritage amidst modern development.
- To identify potential opportunities for sustainable tourism development within the heritage city.

#### Conclusion:

The industrial visit to Channapatna provided a valuable learning experience, emphasizing the importance of preserving and promoting the city's rich heritage. By
