

### **REPORT ON WOMENEMPOWERMENT PROGRAM**

**Title of the Event: WOMEN EMPOWERMENT PROGRAM**

**Date of the event: 08th JUL 2024**

**Event Duration : 11:45 am – 12:45 pm**

**Venue : RoomNo 218, 2<sup>nd</sup> floor, RRCE**

**Target Participants: AI&ML 2rd year**

#### **Overview of the Event:**

All students gathered in their class two hours before the start of the Women Empowerment Program to begin their preparations. While some students were involved in setting up materials and organizing the classroom, others engaged in discussions and brain storming sessions on the topics they would present. The atmosphere was lively and energetic, with every one participating enthusiastically and contributing their ideas. There was a sense of camaraderie and mutual support as students worked together, ensuring everything was ready for the event.

The program commenced with staff members from various departments visiting to observe and engage with the students. The interaction between the students and staff was dynamic and insightful, with teachers expressing their excitement and appreciation for the students' efforts. The program featured presentation son various aspects of women empowerment, including inspirational stories, discussions on gender equality, and the importance of education for women. The event was are sounding success, with every one involved feeling inspired and motivated by the end of the session.

#### **Outcome of the program:**

The Women Empowerment Program successfully inspired and motivated both students and staff, fostering a deeper understanding of gender equality and the significance of education for women. Participants left the event feeling empowered and more aware of the vital role they can play in advocating for women's rights and opportunities.
